THOUSANDS HAVE BEEN packing St. Peter's Square awaiting the results of the cardinals' voting on a new pope. This crowd was on hand after one of the ballots had failed. Black smoke issues from the Sistine Chapel chimney. (UPI Telephoto)

### Fail On Sixth Ballot

## *Balloting For New Pope Continued By Cardinals*

**BULLETIN**

**VATICAN CITY (AP) — Four successive puffs of black smoke indicated tonight the cardinals of the Roman Catholic Church failed through the second day of their conclave to elect a new pope.**

VATICAN CITY (AP) — The College of Cardinals of the Roman Catholic Church failed today on their sixth ballot to elect a new pope.

The cardinals went through their two morning ballots in an unusually short time.

This time there was practically no confusion about the smoke arising from the slender chimney over the Sistine Chapel as the two sets of ballots were burned. The tiny wisps of smoke soon took on a distinctly black hue and continued black, the sign that no pontiff had been chosen to succeed Pius XII.

White smoke from the chimney is supposed to indicate a new pope has been named. The addition of straw is supposed to turn the smoke black, indicating no result. Sunday something went wrong and white smoke came out twice, setting off premature and groundless rejoicing.

Today the cardinals resorted to more modern chemistry so there would be no misunderstanding. An aide said that Prince Sigismondo Chigi, marshal of the conclave, had experimented with a tar by-product, then passed it in to the cardinals through one of the closely guarded doors which are the only access to the conclave area. It was added to the fire to make the smoke unmistakably black.

The secret, walled-in conclave was about 40 hours old when the new failure was indicated by the smoke. The 51 princes of the church were to go back into session late this afternoon to try again with two more ballots if that proved necessary.

The 51 cardinals voted twice Sunday morning and twice in the afternoon but failed to give any prelate the 35 votes required for election—two thirds of those voting plus one.

No word on which candidates were running in front came from inside the walled-in, double-locked conclave area in which the princes of the church have been confined since Saturday night.

The end of each pair of ballots was accompanied by wild confusion over the smoke signs.

After every two votes, the ballots are burned in a stove inside the chapel. If a pope has been elected, the papers are burned alone and white smoke is supposed to spiral from the chimney. If there has been no election, a handful of damp straw is added and black smoke is supposed to come out.

Something went wrong Sunday. After the morning ballots, a cloud of white smoke shot up just before noon, and many in the crowd of about 60,000 in the square sent up shouts of joy. In a moment the smoke turned to gray and finally black.

A throng of nearly 200,000 in the square awaited the second signal at nightfall.

This time white smoke rolled out the chemney for fully five minutes.

"A pope is elected," declared the Vatican radio. News agencies sent the word around the world. The crowd cheered and waved handkerchiefs.

Even Vatican officials were fooled.

The Palatine Guard was called from its barracks to proceed to St. Peter's Basilica for the formal announcement of the new pontiff's name.

Then uncertainity set in. The guards were sent back to their barracks. When 20 minutes had passed without a new pope appearing on the balcony, the doubt spread rapidly. Finally the crowd began to disperse.

There was confusion in the palace until assurances finally were received from within the conclave that black smoke was intended.

There was no official explanation of the mixup.

## Ike Will Talk Tonight At Pittsburgh

### President Swings Into West Virginia Too In Campaigning

WASHINGTON (AP) — President Eisenhower returns to the campaign wars today to fire new salvos at the Democrats in West Virginia and Pennsylvania speeches.

White House aides predicted the President's stretch drive for election of a Republican Congress Nov. 4 will be marked by more of the bang-'em-hard technique that blossomed on the cross-country tour he concluded last Thursday.

Eisenhower arranged a late afternoon departure by plane for Charleston, W.Va., and a talk at the Kanawha County Airport.

Then he will fly on to Pittsburgh for a major political address tonight at the Syria Mosque auditorium. That speech will be carried over an 18-state television network into several areas where the Republicans are particularly hard-pressed.

Immediately after the Pittsburgh speech, the President will travel to New York for an overnight stay and some politicking there Tuesday on behalf of the congressional and state GOP ticket.

In West Virginia and his adopted state of Pennsylvania, indications are Eisenhower will cut loose again at Democrats whom he described last week as radical and left wing—and at an opposition party he said is hopelessly split right down the middle.

After a low key start on his coast-to-coast tour, Eisenhower started slugging hard in California and continued it in Chicago.

In West Virginia, the first stop on Eisenhower's latest political trek, the Democrats are given a good chance of picking up two U.S. Senate seats. They are held currently by Republican Sens. Chapman Revercomb and John D. Hoblitzell.

Revercomb is bidding for a full six-year term against Rep. Robert C. Byrd. Hoblitzell, running for the two remaining years of the term of the late Democratic Sen. Matthew Neely, is pitted against former Rep. Jennings Randolph.

West Virginia's House delegation now is four Democrats to two Republicans, and the division may stay that way.

In Pennsylvania, where Eisenhower will cast his vote at Gettysburg a week from Tuesday, there also is cause for Republican worry.

Current signs point to victory for the Democratic candidate for governor, 69-year-old Mayor David L. Lawrence of Pittsburgh. His GOP opponent is Arthur T. McGonigle, 62, a retired pretzel manufacturer from Reading.

The U.S. Senate race is closer with Democratic Gov. George Leader generally considered a bit ahead of GOP Rep. Hugh Scott. Here again it is a Republican seat at stake—that being vacated by Sen. Edward Martin (R-Pa), who did not seek re-election.

As for the House, Pennsylvania Democrats are given a chance to take from two to six seats now held by Republicans. The present House lineup is 17 Republicans, 12 Democrats and one Democratic vacancy.

### 166 Get Out Of Pit Safely

## *14 Miners Seen Trapped After Explosion Rips Pit*

BISHOP, Va. (AP)—An explosion at 7:50 a.m. today shook the Bishop mine, on the Virginia-West Virginia border, where 37 miners were killed in a blast in February 1957.

A. V. Sproles, president of the Pocohontas Fuel Co. confirmed there is "trouble in one section of the Bishop mine." He did not say what section was involved.

George Titler, United Mine Workers District 29 president, said 14 men were trapped in the mine.

Later, a company spokesman said 180 men were at work in the mine. All but the 14 trapped miners emerged without injury, according to information received by the West Virginia mines director's office at Charleston.

The mine entry is in Virginia although most of the underground diggings are on the West Virginia side. Virginia state mining officials said the mine is considered a West Virginia operation.

The 1957 Bishop explosion came at 1:55 a.m. Monday, Feb. 4. Rescuers found the first bodies a little more than an hour later.

### *More Bodies Hunted In Nova Scotia Mine*

SPRINGHILL, N.S. (AP) — Workers dug deeper into the Cumberland No. 2 coal mine today, seeking more bodies of the 77 men buried some 13,000 feet from the entrance to Canada's deepest coal mine. No hope was held that any were still living.

Sixteen bodies have been brought out of the mine, where a rock upheaval deep below the surface Thursday night blocked tunnels and unloosed pickets of poisonous gas.

No miners have been found alive since Friday afternoon, when the 81st survivor reached safety.

The immediate goal was a working area at the 13,000-foot distance, where 50 or more miners were believed to have been trapped. The workmen were reported within 170 feet of the area Sunday.

## Red Gunners Continue Fire On Quemoys

### Nationalists Report Step-Up In Activity Along Main Coast

TAIPEI (AP)—Communist guns fired only sporadically on the Quemoys today in Red China's new every-other-day war.

This was the first odd-numbered or shelling day since the Reds announced they would fire at will on the uneven days but on the even-numbered days would exempt airstrips, beaches and docking areas so supplies could be brought in.

Nationalist defense headquarters reported sporadic shelling on tiny Tatan Island in the Quemoy complex and light, scattered shelling elsewhere in the group.

But the volume of fire fell far short of the old days when the Reds unloaded thousands of shells on the Nationalist-held islands every day.

Nationalist headquarters reported a step-up in Communist military preparations along the mainland coast facing Quemoy and opposite Matus, 150 miles to the north.

The Nationalists said their observers counted some 1,500 Red soldiers constructing ground fortifications opposite the Quemoys in the last three days. Nationalist defenders on Matsu reported 560 Communists building groundworks on the Peichiao Peninsula nearby.

Red gunboats and landing craft were reported active in Amoy harbor, facing Quemoy, but there were no reports of any clashes.

The Nationalist ambassador to the United States, George Yeh, described as groundless reports that Taiepi would reduce its 100,000-man garrison on the Quemoys at the present time.

"As long as the Chinese Communists are firing at these islands, this is no time to talk about thinning out our forces there," said Yeh as he boarded a plane for Washington.

However, he did not rule out a gradual reduction after the firepower on the islands is increased through new and better weapons.

## *U.S. Rejects Red Cry That Troops Leave*

PANMUNJOM, Korea (AP) — Communist North Korea informed the Military Armistice Commission today the last of Red China's troops have gone home and demanded again that American troops likewise quit South Korea.

"Your demand is rejected," U.S. Air Force Maj. Gen. Albert T. Wilson Jr., representative of the U.N. Command on the commission, told North Korean Maj. Gen. Kang Sang Ho.

A Chinese communique Sunday said the third and last stage of withdrawal of Red Chinese "volunteers" from Korea had been completed. This stage was said to have included 70,000 men.

Red China's forces in North Korea were estimated at 250,000 or more men at one time.

## Juror Seating Starts In Case For Ex-Police

### Panel Tentatively Seated For Trial In Lisbon Court

Selection of a jury was underway today at Lisbon in the Common Pleas Court trial of Ira Cunningham and Robert Carroll, former city police officers, charged with a 1952 entering of the Smith & Phillips Co. store.

Preliminary questioning of prospective jurors took up most of the courtroom activity this morning and a bus had been ordered to take the panel, once seated by Judge Raymond S. Buzzard, to view the store.

Cunningham and Carroll were among five officers and two former special officers indicted on nine burglary charges following an investigation of the police department in 1956.

Cunningham was acquitted in 1956 of an entering of the Berman Lumber Co., while today's trial marks the first time Carroll has been tried.

A tentative jury was selected in the third of the series of police trials in 1956 in which Carroll was one of four defendants, but the case was continued at the request of the prosecution.

Twelve had been seated tentatively late this morning, but the prosecution still has two peremptory challenges it can exercise and the attorneys for the two officers also have two challenges remaining. The trials were to resume last week, but were delayed when the defense challenged the jury venire because Ira Burbick — coowner of the Burbick Hardware Store whose burglary was to be tried—has served with the prospective jurors on some other jury trials this term of court.

Judge Buzzard directed the prosecutor to try police burglary cases in which the Burbick store did not figure, and plans have been made to call a new venire to hear the cases in which the store was involved.

Cunningham, Carroll and Jerome (Jerry) Raimond, former special officer, are charged with entering the hardware. Louis Stuttler, former officer, is charged with entering Burbick's on a separate indictment handed down last June.

These and the other remaining police cases are to be tried this term of court.

## Fire Destroys Country Home

### $8,000 Damage Seen In Cumberland Blaze

A New Cumberland area family lost all its possessions in an $8,000 fire which gutted a rural home early today.

Mr. and Mrs. Thomas Pittman of New Cumberland R. D. 1 found their four-room house aflame when they returned about 1:30 a. m. from visiting a brother, Earl Pittman of Route 66. The house is located just off Swearingen Hill.

The Weirton fire department sent two trucks after being called by Pittman. He said the entire house was in flames when firemen arrived.

One side of the home was burned through and most of the roof was destroyed. Firemen quelled the blaze in about 15 minutes.

Pittman said the loss to the furnishings will amount to about $3,000, while the house loss was set unofficially at $5,000.

The Clay District Social Union today started collecting clothing and furnishings to aid Pittman, who is a Weirton Steel Co. employe. Anyone wanting to make a donation may contact Fisher Booth at New Cumberland 5267.

## Patrol Cites 'High Speed' Of Death Car

### John W. Webber Loses Life In Mishap Near Silvers Switch

**County's 1958 Traffic Toll**

**19 KILLED**

**This date in 1957—16 Killed!**

**DON'T TEMPT FATE IN '58**

An East Palestine area man was killed and three local men were injured when their car smashed into a railroad crossing signal along the East Liverpool-Wellsville "super road" at Silvers Switch Saturday night.

John Wilbert Webber, 21, of Route 170 about a mile south of East Palestine was pronounced dead at City Hospital of a fractured neck and internal injuries suffered in the crash, which occurred shortly before 10.

He was a passenger in a car driven by Dale Morrell, 27, of 182 Montana Ave., Chester, who was headed southwest on the super road "at a high rate of speed" according to the State Highway Patrol at Lisbon.

Morrell, along with John Morrell, 23, of 133 Church Ln., and Theodore Felkey, 24, of 454 Virginia Ave., Midland, other passengers, are in "fair" condition today at the hospital.

Dale Morrell suffered abrasions and lacerations of the forehead and abrasions of the knees and elbows. John Morrell suffered a laceration of the forehead, eye and arm and facial abrasions. Felkey received multiple lacerations of the scalp and abrasions of the face.

Officers said Morrell was driving with the headlights of his car unlit. He apparently lost control approaching the crossing and the car hit the standard of the flasher warning signal, demolishing the 1947 sedan.

The death marked Columbiana County's 19th traffic fatality this year, compared to 16 this time in 1957.

The patrol is continuing its investigation.

Webber, a laborer for the Lakewood Chemical Co. of Negley, was the oldest of nine sons and daughters of John and Gertrude Black Webber of near East Palestine, with whom he resided.

He was born at Beaver Falls June 9, 1937, and had resided in the East Palestine area for about four years.

Besides his parents, he is survived by four brothers, Frank Webber, George Webber, Walter Webber and William Webber, all at home; four sisters, Arlene Webber, Janet Webber, Peggy Ann Webber and Mary Ann Webber, all

### New F106 Interceptor

## Like Startled Race Horse, Newsman Says Of Plane

*(The Air Force took a general off the waiting list to permit Associated Press Aviation Writer Vern Haugland to become the first newsman to fly in the new F106, a plane termed "a missile with a man aboard.")*

By VERN HAUGLAND

TYNDALL AIR FORCE BASE, Fla. (AP)—The new Convair F106 interceptor — the nation's nearest approach to a pushbutton war plane—plunges into its takeoff run like a startled race horse in a headlong runaway.

It flings itself along the runway to a speed of well above 100 miles an hour within seconds, then leaps into the air.

A two-million-dollar 30,000-pound monster of metal, fuel, electornic brains and possibly atomic weapons, it raises its tapered nose and climbs skyward at an angle of almost 45 degrees.

The all weather interceptor readily exceeds twice the speed of sound and operats effectivly at altitudes over 50,000 feet.

The controlled fury of its Pratt and Whitney J75 jet eingine puts it among the world's fastest and deadliest aircraft.

In giving the public its first look at the F106B in flight, the Air Force, made public some hitherto closely guarded facts.

Rex Warden, a former ADC jet pilot now serving as chief of the F106 program for Convair division of General Dynamics Corp., said so far as he knew no other civilians except test pilots had flown in the F106. It is still in its test program and is not to become operational with the air defense command until next spring.

The single-place F106A and the two-place F106B are being produced under a one-billion-dollar program that also includes the semi-automatic armament control system.

Lt. Col. William Price, Air Force project officer, said the Defense Department first ordered the coordinated electronic equipment and weapons system and then bought the airplane to wrap around it.

## *Only 5 Plants Are Still Idle In GM Issues*

DETROIT (AP)—General Motors today counted only five plants with local disputes with the United Auto Workers Union still unsettled.

Moving near full-speed operation for the first time since the UAW walked out in a company-wide strike Oct. 2, GM announced seven agreements Sunday.

The new settlements were at: Fisher Body at Mansfield, Ohio; Central Foundry at Defiance, Ohio; Chevrolet at Bloomfield, N. J.; Chevrolet Foundry at Tonawanda, N. Y.; Euclid Division at Cleveland; and two Fisher Body plants at Detroit.

The new agreements brought to 260,300 the number of UAW employes ready for work at 119 GM plants. At full operation, GM has about 275,000 UAW employes at 124 plants.

Although the company-wide strike lasted only 12 hours, the UAW gave its blessing to locals that wanted to continue on strike until local grievances were settled.

The local strikes completely shut down GM's vast auto-making empire for several days and it got back into gear for production of 1959 model cars only last Monday.

## Aliquippa Man Killed By Auto In Ambridge

The 19th auto fatality of the year for Beaver County occurred when Emilio Sperduti, 54, of Aliquippa was struck by a car while crossing the Ohio River Blvd. between 1st and 2nd Sts. in Ambridge Sunday at 8:05 p. m.

He suffered a fractured skull and a broken leg. He was dead on arrival at Sewickley Valley Hospital. Myron L. Stolar, 17, of Leetsdale, Pa., driver of the auto, was not held.

## Gabors Hold Reunion

VIENNA (AP) — Eva, Magda and Papa Vilmos Gabor are having a reunion in Vienna. Mama Jolie gets here Tuesday and Zsa Zsa is due Wednesday.

## Fraternity House Fire Claims Two Students

WASHINGTON (AP) — Wood shavings and tar paper, used for decorations at a fraternity house party, fed flames which fatally burned two George Washington University students.

Killed in the early morning blaze Sunday were Roger Weldon Ussery, 22, of Rockingham, N.C., and Floyd Lansing Ormsby, 21, of Islip, L.I., N.Y. They were trapped in their third-floor bedroom. Six other young men escaped but one, James G. Wingo, 28, of Washington was burned severely.

The blaze caused an estimated $40,000 damage to the Delta Tau Delta fraternity house in downtown Washington.

Fire Lt. Anthony B. Mileo said a cigarette may have started the fire.

## Adams Leaves Capital With Minimum Of Fuss

WASHINGTON (AP) — Without fanfare or announcement, Sherman Adams has stepped out of the White House, where for nearly six years he was President Eisenhower's top assistant.

He announced his resignation in a nation-wide television and radio talk on Sept. 22, but said then he would stay on until there had been an orderly transfer to others of the work he had been doing.

White House press secretary James C. Hagerty confirmed during the weekend that Adams had left Friday after a farewell chat with the President.

He apparently left for his home at Lincoln, N.H. In reply to a question, Hagerty said he had no information concerning Adams' future plans.

## Three Of Family Killed In Crossing Collision

PITTSBURGH (AP)—Three members of a North Braddock family were killed Sunday night in the collision of their auto and a Baltimore & Ohio freight train at a crossing in nearby Braddock.

They were McKinley Carlock; his wife, Beulah, both 60, and their daughter, Mrs. Thelma Swinton, 34.

A railroad spokesman said the crew of the train bound for Pittsburgh from Connellsville reported the auto crashed into the diesel engine.

## Service Station Blast Blamed On Gas Fumes

A Dresden Ave. service station owner escaped injury when fumes from gasoline being used to clean a grease pit exploded about 7:23 a. m. today.

The vapor caught fire when William McLaughlin, owner of the Gulf Station at 1068 Dresden, dropped an electric extension cord and the light bulb broke, firemen said.

The flash of fire ignited an automobile tire and a seat cushion stored in an area just off the pit, which is part of the cellar of the garage. A booster line was used to extinguish the blaze. Firemen also removed a car which was parked in the garage. It was not damaged.

An exhaust fan was used to clear the cellar of the fumes, firemen said.

## Airlift Continues

AMMAN, Jordan (AP)—The airlift of British troops from Jordan went on for the third day today, with the evacuation scheduled to be completed by Wednesday. No ceremony is planned to mark completion of withdrawal of the 2,000 paratroopers.

East Liverpool Review, published daily (evening) except Sunday at 210 East Fourth St., East Liverpool, O. Entered as second class matter at the post office at East Liverpool, O.

Columbus Meeting Awaited

# City Group To Suggest Increased Aid For Financially Weak School Areas

Revamping of the state foundation program to provide more equal distribution of funds to benefit financially weak school districts will be the main recommendation to be submitted by a delegation from city schools at a State House Conference on Education Tuesday in Columbus.

The delegation will include Edwin Maloney, chairman of the Citizens Committee for Better Schools, William Black, Frank Hopper, the Rev. John Mostoller, Mrs. Clara Hall, George Ryckman and Supt. Ralph W. Betts.

Richard Grills, a delegate, and Supt. S. E. Daw of Wellsville left this afternoon to attend the State House conference at Columbus.

The recommendations to be submitted were drawn up during two "Town Hall" meetings on problems facing city schools. The discussion topics included school finances, school program, teaching personnel and district organization.

—:—

**THE REVISION** of the foundation program would enable weaker districts to compete with wealthier districts on a more equitable basis for teachers, the local group found.

In the recommendation on the school foundation program, the local group suggested an increased salary allotment in each category, increase in the operating unit allowance for overhead and establishment of a sliding scale for charge-off rather than a flat 10 mills for each school district.

The foundation allotment is computed on a complicated formula and the state then automatically deducts what 10 mills of what each district would yield before making its distribution.

The local group recommended the scale be 10 mills for those districts whose valuation per pupil is above average. The charge-off for districts whose valuation is below average would be reduced on a sliding scale, it suggested.

The 74 people who attended the conference here suggested a revision of the state sales tax or a state income tax be utilized to provide additional funds for education.

—:—

**THE GROUP** pointed out that real estate is taxed now about as heavily as possible.

It also recommended that only a simple majority be required at an election to pass any school issue and that operating levies be voted permanently or until a referendum is asked.

In response to a question on how property taxes could be used more efficiently for education, the local group recommended a statewide levy with the distribution being made according to need.

Discussing teaching personnel, the group found the three main reasons for teachers leaving the system were inadequate salaries, marriage and retirement.

It recommended the salary schedule be increased, particularly in the top brackets, because it is difficult to keep good teachers.

Improvement in the orientation program for new teachers also was urged.

—:—

**IT ALSO** recommended the state attempt to provide more scholarships for future teachers. It pointed out the local system has a teacher recruitment program and that former teachers who are available are identified, but the program does not secure enough good teachers.

It also specified that more clerical help could be used to relieve teachers of some tasks.

The group found the college preparation in the district was "good" but rated vocational preparation, preparation for home-making and adult education programs as only "fair."

The district has good programs for the slow learner and gifted child, but none for those children handicapped with sight and hearing defects and crippled children.

The intelligence, ability and reading readiness testing is "excellent" but the interests testing is "poor," the group said.

The educational guidance is "excellent" and the vocational and personal guidance "good," it said.

It recommended that community junior colleges and establishment of branches of state universities in more communities to provide more post-high school facilities and opportunities.

Grade 12,—Joan Carter, Judy Engle, Nancy Gailey, Diane McCombs, Eleanor Petrosky, Ann Seman, Helen Silva, Stephanie Symonak and John Tomec.

# U.S. Income Regains Much Of Lost Ground

WASHINGTON (AP) — Incomplete figures for the year's third quarter indicated that the national income has regained much of the ground it lost during the recession.

The Commerce Department reported this Sunday as it announced a $1,800,000,000 gain for the second quarter and said third-quarter figures will show a more substantial increase.

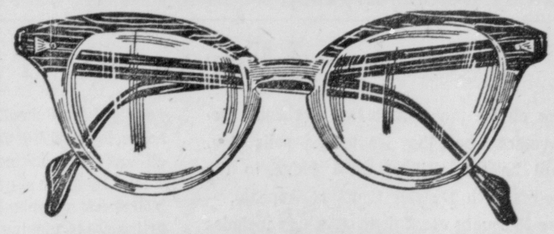

The July-September figures are incomplete because corporate profits for that period have not yet been tabulated. Profits are known to have improved significantly, however.

## Judge Ford For Court Of Appeals

One of the more important decisions facing voters when they go to the polls Nov. 4 will be the election of a judge to the three-man 7th District Court of Appeals.

The 13-county court district, which includes Columbiana, serves a population of some 1,100,000 and is a vital link in the judicial system so necessary to our democratic way of life. The best available men are needed to properly deliberate the many complex issues which make up the court's docket.

Contesting for the judgeship on a nonpartisan ballot are Robert B. Ford of Geauga County and John L. Donahue of Youngstown. Mr. Ford won nomination as a Republican and Mr. Donahue as a Democrat.

Mr. Ford, who defeated veteran jurist John C. Nichols of St. Clairsville in the May primary, is now probate judge of Geauga County. He has achieved an outstanding record since being appointed to that bench in 1953.

His accomplishments include a major role in the preparation of a state law permitting probate judges to serve in the absence of Common Pleas judges; reorganization of the Geauga County record system, making it the first in Ohio to have a current microfilm program, and a more efficient and more dignified handling of juvenile hearings.

Judge Ford was graduated from Erie (Pa.) Strong Vincent High School, Ohio State University and Western Reserve University Law School. He practiced law at his home town of Burton and served on its council and as solicitor.

Mr. Donahue — who defeated another Youngstown man, John W. Powers, in the primary—is making his second bid for the appeals post. He was nominated two years ago, but defeated in the general election.

He is a lifelong resident of Youngstown and has practiced law there since 1939. He was graduated from Rayen School, attended Detroit University two years and earned Bachelor of Arts and Law degrees from Youngstown University.

That briefly is the background of the two men seeking the judgeship on the court, which, in addition to Columbiana, serves these counties: Jefferson, Mahoning, Trumbull, Ashtabula, Portage, Lake, Geauga, Carroll, Harrison, Belmont, Noble and Monroe.

On the strength of his record to date and in the firm belief that he has the ability and the desire to become an outstanding judge, The Review strongly recommends Mr. Ford for election to the 7th District Court of Appeals. He has earned advancement to a higher tribunal.

At 37, his vigorous and fresh approach to judicial matters should prove a valuable asset to the court now being served by two veteran jurists — Judge Elmer T. Phillips of Youngstown and Judge Lynn D. Griffith of Warren.

## Too Much For A Sticker

If bumper stickers can carry the day for opponents of the proposal to bar compulsory membership in unions, Ohio unionists fighting Proposed Amendment No. 2 have nothing to fear.

There is more to forming public opinion, however, than repetition of a slogan or a phrase. This may be good propaganda and it may even be good Madison Avenue, but it is not the most powerful thing imaginable in America.

The most powerful thing imaginable in this country is an idea. An idea can pack more wallop than an A-bomb or an H-bomb. And it happens that almost every American knows a little something about the biggest idea there ever was in the United States.

It's the idea that nobody has a God-given or a politician-given right to push anybody around. That is where the whole country got its start — from that kind of idea.

Americans had been pushed around. A remote boss was being high-handed. He had refused to listen to complaints from the locals. He had set up trusteeships to look after their affairs.

He had called conventions when he pleased, which was not often — and then, if he felt like it, he called them at inconvenient places and at inconvenient times. He broke up all groups that dared to question his high-handed rule. He packed the place with his own backers.

He chose to be his own legislature, his own judge and his own jury. He had a bad habit of putting pals on the payroll. When he wanted more money, he put on another assessment and woe to him who raised an eyebrow. All things considered, and all advantages to the contrary notwithstanding, Americans got so fed up with being an involuntary part of the "big picture" that they broke away and set up a "more perfect union" of their own.

There's too much of the story to be told on a bumper sticker, but a lot of it has registered on the minds of the Americans who have read the Declaration of Independence and glanced at the Preamble to the Constitution of the United States. And it keeps coming back in flashes every time a bumper sticker proclaims that bearer is opposed to putting a ban on politician-backed rights to push other people around when they don't feel like being pushed.

## First You See It, Then You Don't

Every election sooner or later comes around to the question of brother vs. brother inside each of the political parties.

Democrats chortle that conservative Republicans and liberal Republicans are cutting up each other behind the scenes. Republicans point with derision at the rift between Northern Democrats and Southern Democrats.

But when Northern Democrats and Southern Democrats tee off against each other, that's dissension of a special dimension. This sort of thing started a third-party movement among Democrats in 1948. It is the problem Democrats never have solved in their efforts to form a coalition that would cling together, instead of flying apart.

It has reached a climax two years before the 1960 presidential election with Democratic National Committee chairman Paul Butler's blunt statement that Northern Democrats will make no compromise on civil rights with Southern Democrats and that the latter will have to vote him out of his chairmanship if they don't like his point of view.

The chairman of the party that controls the House of Representatives and the Senate is saying this. Mr. Butler is asking voters in 48 states to show favor for Democratic candidates, yet is advertising the fact Democrats elected to Congress are irreconcilably split over civil rights.

The split is in the open. Anyone can see it. Chairman Butler is particularly anxious for Negro voters in Northern congressional districts and states to see it—so they will vote for Democrats. He is advertising the split for political purposes.

But when the voting has been done, the whole thing will vanish into thin air again. If Democrats control the next Congress, they will vote as Democrats to organize it, with the same Southern Democrats in the same committee saddles, riding herd on legislative proposals. They will sell out every Northern voter who has been hoodwinked by their advertising campaign during the electioneering.

It is a cynical trick of partisan politics.

## The Once Over

**By H. I. Phillips**

A Boston radio and TV station is the first to advertise liquor by airwaves, but the liquor industry is considering lifting its 24-year ban on women in publication advertisements for hard stuff.

The airwave move is causing the most discussion, with fear that it can lead to commercials which pump liquor appeals directly into the American home as part of entertainment programs.

Critics think it is certain to bring on a commercial of somebody's mother demonstrating how she makes housework less drudgery through a ready-mix cocktail, with a glamorous blonde making a sales pitch for rye, scotch and gins. And ultimately a ballet done by flask - toting cuties, all ending with a tableau called "What Is Home Without a Bottle?"

There is even the prediction that TV advertisement of liquor is bound to bring on cross-section anatomical sketches with dotted lines, hammers, etc., showing route taken by a rye-on-the rocks, rate of acceleration in various areas of the human system and the final ringing of chimes in the noggin.

All boosting a drink that works twice as fast!

The liquor industry's idea of using the fair sex in publication ads is just talk so far, with advocates insisting that it will not be offensive if Whistler's Mother, Mona Lisa, Grandma Moses and Little Red Riding Hood types are not tied in with intoxicants. Nobody wants Jack and Jill going up the hill to get a refill for the cocktail shaker.

A hot fight is certain before women get into the whiskey ads, but there is no telling how it will come out. We are in an age of broader viewpoints. Even teen-age girls have been in billboard ads for beer for a long time and the family gathered around foaming steins is routine on TV plugs.

Mumsey and Sis in the sales pitch for strong drink seem objectionable at the moment. But there was a time when it was considered shocking for them to go bathing without long stockings, high shoes, corsets and a hat on.

AUTUMN SONG

The melancholy days are here.
The saddest of the year,
When I rake up ten million leaves
And then they reappear!

**RED CHINA**, pouring shells onto people of Quemoy, calls them brothers and appeals to them to return to the "embrace of the motherland." Motherhood with high explosives, as it were.

Label "Elder Statesman Bench" on the bench provided by New York City for Bernard Baruch is too cold and fails in any way to project the idea of the importance of a bench in life. Mr. Baruch's bench could not have the following message in detail, but should get a boildown: "This bench is the symbol of the philosophic mood. Use it and relax tensions. A bench is not emblematic of laziness. It is not for pigeon and squirrel feeders only. A bench in a park has been a handmaiden of romance and a resting place for the weary. But in no respect does it run second to philosophic meditation. Bernard Baruch has elevated it to a proper place in American life. Sit here, stranger. It can help you get the right slant, too."

The emu of Australia, which has been clocked at 31 miles an hour for 10 miles, is the fastest bird for running on land.

Brown eyes are predominate among the white races of the world.

The average weight of an elephant at birth is from 150 to 200 pounds.

## *They Rate Viewing Time, Too*

## Ike's Ire More Than Campaign Fire

**By Victor Riesel**

*(No president before has ever challenged the labor racketeers. Nor has any chief executive ever spoken so bluntly of labor abuses. This column is the first of two giving the untold background story of Eisenhower's decision to personally tackle the vast corruption.)*

By VICTOR RIESEL

There is one campaign which won't end for the President of the United States after Election Day. It is a campaign which Dwight D. Eisenhower has chosen, more in anger than in sorrow, for himself. Already in some circles it is being referred to as "Operation Fumigation." This will be the President's personal drive against the political power of corrupt union chiefs. Behind the Chief Executive's unleashed anger against labor racketeering in San Francisco the other day is the untold story of his jaw - dropping study of the mobs and the growing influence in politics of all labor.

Victor Riesel

Details of his constant interest in the brutal and arrogant rackets come from unimpeachable and thoroughly knowledgable sources close to the President since he took office in '53.

**ANGER IN HIM** over the increasing power of the hoods over the law and will of the people was held in check until he had the platform he thought would be the most effective stage from which to challenge it personally.

It was President Eisenhower himself who decided to make the anti-racketeering speech in San Francisco. It was he — and not his word merchants — who decided to use the term "fumigated."

Mr. Eisenhower thinks that the rackets literally stink — and if it sounds uncouth to use that word in reporting events within the rarified atmosphere of White House inner sanctums, it is nonetheless true that he has used the noisome phrase himself.

This speech was not just a potboiler stewed up for the campaign. Those who know how the President prepares a talk, know it couldn't be. He works on each address personally right up to the moment of delivery.

**EVEN THEN** I've seen him break away from the notes on the cards before him and lash out at a particular thing which angered him or which he had forgotten to include despite six weeks of preparation for a major talk.

This occurred when he delivered his last State of the Union message. It had been mimeographed. It was distributed. The wire service said "hold for release," etc., after the texts were on 2,000 news desks.

The President went up to dress for his appearance before Congress. In his own bedroom, he hacked at his copy of the text. He then drove, almost to hysteria, the men who had worked on it.

For when he did deliver the talk to the Congress and assembled diplomatic representatives, Mr. Eisenhower inserted new paragraphs and ideas he had discussed with no one.

**IT WAS IN THAT** tradition that he worked on his blast at the labor rackets — unprecedented in White House history. No other President has challenged American labor in such a frontal attack.

This was not a declaration of war on trade unionism. That would have been inconsistent with Mr. Eisenhower's record of appointments to the cabinet, to U.N. delegations and to diplomatic missions, as well as his own legislative proposals.

The President has said privately many times in recent months that what he will war on will be the political power of the mobs working through corrupt unions. He believes that he has seen evidence of great and increasing political influence of all unions. Therefore, he reasons, this means that the corrupt outfits have also increased their political strength.

The President believes that much of this political power springs from the ability of the corrupt unions to use unlimited funds in campaigns. However, he does not see this as the lone abuse.

**PRESIDENT EISENHOWER** in many private conversations has expressed anger over the absolute failure of any force to control the treatment of union funds by corrupt officials as their own. Therefore, he has said, there is nothing to prevent a corrupt union chief from using hundreds of thousands of dollars to help himself, even to the injury of the union he controls.

The word the President has used again and again is that he is "disgusted" with what he believes is an obvious concentration of power that of itself is out of hand.

That's why one of Mr. Eisenhower's most important projects during his final two years in office will be "Operation Fumigation."

## Nixon's Destiny

**By Raymond Moley**

With Richard Nixon, legitimate ambition runs parallel with circumstances beyond himself. These forces make him the almost certain nominee of his party for the presidency in 1960 and propel him into the vacuum created by the President's lost leadership.

No such predetermination has affected the destiny of a national figure in this country for two or three generations. And Democrats with half a dozen hopefuls and a divided party, despite a possible exhilarating victory in the election just ahead, may find the 1960 Nixon a more formidable opponent than they have met since their much more divided and scanty army met TR in 1904.

**THAT THIS FACT** is well within the consciousness of Democratic leaders, such as that old craftsman Harry S. Truman, is shown by the hysterical hatred they feel for the Vice President and the screams they direct at him.

No one, except those very close to Nixon, realizes the conflicting forces and impulses which have troubled his decisions in the past three years — roughly since the President's heart attack in late 1955.

On the one hand there has been the tradition that the vice president remain an impotent Throttletom, speaking only through parliamentary rulings in the Senate and in spongy generalities at the dedication of soldiers' homes. There was also loyalty to the man, whom he truly loves and respects, who made him vice president.

On the other hand there was his keen concept of the nation's needs and the inadequacy of the President, and of those whom he chose to surround himself, to understand and meet those needs. Foremost among those needs was and is a strong two-party system with a potent, active Republican organization with a clear philosophy and identity.

Through many months in 1956, Nixon was tortured by the vacillation of the President with respect to a renomination of his running mate. Nixon chose the wise course of silence while his enemies labored to capture the President's mind. Only the overwhelming demands of Party leaders over the country, subtly influenced by Republican Chairman Len Hall, determined the President's reluctant acquiescence.

**AS THE FACE** of the Eisenhower Administration came to be more and more amorphous and leadership failed after the inauguration in 1957, the demands upon Nixon to take the leadership of the party became more and more insistent.

As the congressional elections of this year approached, the deterioration of the party organization became desperate. All over the country, senators, congressmen, and governors who were up for reelection were crying out. Some chose to ignore the Eisenhower Administration and go their own way.

Regular contributors to the Party shrugged off the solicitations of the National Committee. The policies of the administration toward legislation before Congress wobbled and wavered.

It is folly to say that the Eisenhower Administration prevented reckless and ruinous spending. So far as savings were made, the credit goes to a small coalition of Southern Democrats and conservative Republicans who stemmed the spending to a degree. The President's veto power was only casually used.

Finally, as this campaign has progressed Nixon has emerged. The die is cast. He is on his own, and the vast labor of rallying a defeated and disorganized Party lies ahead for two years to come.

## Down Through The Years

**From The Review Files**

**THIRTY YEARS AGO** — Road tour of Columbiana County was made by 35 members of the Chamber of Commerce, accompanied by county commissioners and other officials.

The Rev. Edgar A. Walker, pastor of the Emmanuel Presbyterian Church, was appointed chairman of the Red Cross membership drive.

An old-fashioned spelling bee was featured during the meeting of Pride of Valley Council 4, Daughters of America.

**TWENTY YEARS AGO** — Catholic Women Study Club members entertained with a Halloween party at the home of Mr. and Mrs. A. J. Knapp of the Lincoln Highway.

East Liverpool district pottery manufacturers rushed work on Christmas orders as they predicted more new business from the late fall and winter market.

The Wellsville flood wall, the first control project in the Ohio Valley under the new federal program was marked for completion early in December.

**TEN YEARS AGO** — The names of 480 East Liverpool elementary school children were on the scholastic honor roll for the term's first six-week period.

A cancer detection clinic was held in the Newell Red Cross rooms, with Dr. and Mrs. J. E. Hall in charge.

G. A. Arner Jr. American Legion Post 121 of Chester endorsed the proposed three-year levy to raise funds for a school building program in Hancock County.

## Key Issue Ignored

By David Lawrence

### Shall Court Rewrite The Constitution?

The biggest issue confronting the American people today is rarely ever mentioned in the current campaign for seats in Congress. The issue is whether the people shall be governed by a written Constitution subject to change only by their will, or whether that Constitution shall be rewritten by the Supreme Court justices to suit their personal or ideological whims.

David Lawrence

This is the same issue which caused a stir in 1937 when Franklin D. Roosevelt, Democrat, declared that Congress should enact a law which would have the effect of increasing the number of justices by six so he could appoint new judges who would conform to his views.

Congress rejected the proposal, but Mr. Roosevelt was able a few months later to "pack" the court anyhow, through vacancies that occurred.

Many of the professors and deans of law schools, and certainly many "self-styled liberals" of those days, felt then, and many still feel, that the Supreme Court should change the Constitution at will.

A notable exception is Alfred J. Schweppe of Seattle, a former dean of the law school of the University of Washington, a former president of the Bar Association of the state of Washington, and at present one of the editors of the American Bar Association Journal.

He writes in the current issue of U.S. News & World Report:

"I absolutely reject the idea that the Supreme Court has the power to rewrite the Constitution according to its concepts of sociological or economic change. That is what the amendatory process is for.

"I do not accept Justice Douglas's blunt view that the amendatory process is 'too slow' as anything but a violation of the oath to support the Constitution of all of its parts."

**THE REFERENCE** was to a speech by Justice Douglas in 1949 in which he attempted to defend the Supreme Court's wholesale overruling of prior decisions and said: "It must be remembered that the process of Constitutional amendment is a long and slow transition."

This was precisely FDR's argument in the "court-packing" fight, and Justice Douglas was one of his later appointees, when a vacancy occurred.

It is not improper to criticize the decisions of the Supreme Court. Its justices have often conceded this point themselves. Last Aug. 23, the chief justices of 36 states approved a report which said:

"We are not alone in our view that the Supreme Court, in many cases arising under the 14th Amendment, has assumed what seem to us primary legislative powers. . . . We do not believe that either the framers of the original Constitution or the possibly somewhat less gifted draftsmen of the 14th Amendment ever contemplated that the Supreme Court would, or should, have the almost unlimited policy-making powers which it now exercises. . . .

"It has long been an American boast that we have a government of laws and not of men. We believe that any study of recent decisions of the Supreme Court will raise at least considerable doubt as to the validity of that boast."

This was perhaps the most important document issued in recent years in criticism of the court. Incidentally, the report did not mention any segregation cases but confined itself to usurpations of power by the Supreme Court in decisions involving federal and state relations.

**A PERTINENT** comment on the efforts of "self-styled liberals" to suppress all criticism of the Supreme Court was made the other day by The Wall Street Journal as follows:

"We are also told that when the Supreme Court has spoken, its words become the law of the land and that no one has a right to further oppose a ruling or to try to void it or to have it changed. This argument, it strikes us, is not only illogical but dangerous.

"It is illogical, for even the rules of the court provided for a rehearing by the same court on a question it has just decided. It is also illogical because it ignores the Constitutional right of Congress to enact legislation to void court decisions and the right actually to limit, in some respects, the Supreme Court's jurisdiction. . . .

"Yet, in support of this view we are also told that public officials who oppose Supreme Court decisions are 'guilty' of violating their oaths of office to uphold the Constitution.

"We hope our readers will understand that we are opposed to force and violence in all its bitter forms, but we are also opposed to enforcing silence and inaction on those who think a court decision wrong."

How many members of Congress seeking election in the North and West will proclaim themselves as supporting the above principle?

Voters have not been asking the candidates for the Senate and House how they stand on this issue. Yet, unless Congress asserts its power to checkmate the usurpation of legislative functions by the present Supreme Court, all rights granted specifically in the Constitution itself will hereafter be in constant jeopardy.

## Amphibious Warfare

**By Earl H. Voss**

WASHINGTON

An ironical result of the Chinese Communist shelling of Quemoy has been that Nationalist China developed an amphibious warfare capability the United States had carefully avoided giving her before.

When Communist artillery from Fukien first started interdicting Nationalist Chinese supply convoys, Generalissimo Chiang Kai-shek's forces had neither the naval equipment nor the training to get through.

American military advisers on Formosa had always been under orders not to train the Nationalist Chinese forces in amphibious warfare. It was feared President Chiang might try to reinvade the mainland—and possibly involve the United States in a war there.

**THIS ATTITUDE** changed, however, when Nationalist supply convoys started turning back under fire, and when one LST loaded with ammunition was destroyed by a direct hit on a Quemoy beach.

The Chinese Nationalists were given small amphibious vehicles which could be disgorged from larger vessels, just outside the Fukien artillery's range, and then scoot for the beaches in an irregular, well-dispersed pattern.

Beach parties were organized on the World War II American pattern.

United States advisory officers found themselves pouring out to their Nationalist Chinese counterparts all their secrets of successful invasions from the sea—as developed in the island-hopping Pacific campaign and in European situations like Anzio.

Big new air transport planes were turned over to Chiang's air force, which soon developed techniques of air-dropping supplies under fire.

**ANOTHER** development during the six-week vest-pocket war was the proving under fire of Nationalist China's fighter pilots.

The verified kill ratio for Chiang's pilots against Red aircraft in the air war of the Fukien coast was 23-1, according to officials here.

Gen. Nathan F. Twining, former Air Force Chief of Staff and now chairman of the Joint Chiefs of Staff, reportedly has been "high" on Chiang's fighter squadrons for a long time but even he was unprepared for this one-sided score.

Officials say the Sidewinder air-to-air missile figured in only four or five of the kills.

**WITH THESE** striking improvements in the fighting capabilities of Nationalist China's armed forces, what are the prospects that the generalissimo will give the word for a reinvasion attempt?

American officials insist there is no likelihood of this.

## Letter To Editor

In last Tuesday's paper there was a page ad, sponsored by the "Right - To - Work" crowd, which asked what the union bosses are afraid of.

I would like to answer that: They are afraid of the same thing that I and every other person who has any knowledge of what this crowd would like to do to what we have worked and even prayed for during the last 75 years.

Why should this group show so much interest in the working man's rights and protection all at once? Remember, these are the same interests we have been fighting and striving against to build up a decent standard of living and to get a fair wage so we could live like American men and women.

Now there certainly has been enough printed about Hoffa and a few like him. Why don't we hear about Gomper, Green, Lewis, Wall or, nearer home, Mengie Woods and the Duffy brothers?

I thank God for such men as these, If it hasn't been for them we would have nothing to protect and if the "Right - to - Scab" law is enacted you won't have to worry about anyone stealing your union money because there won't be any to steal. It will put the labor man back where he was 50 years ago.

Let's snow this terrible law under with votes.

# Beaver Local's Voters Asked To Support School Proposals

Beaver Local School District residents today were urged to vote for a combined operating levy and bond issue 2.1 mills and renewal for a current 2-mill operating levy at the Nov. 4 election.

George VanHorne, executive head, declared passage of the current levy is required to maintain present school programs, while the new levy is needed for expansion of educational facilities.

The 2-mill levy is only a renewal and will not be an increase in taxation, VanHorne said. The levy first was passed in 1951 and renewed in 1954 and is up for renewal. It provided about $19,000 annually for operating expenses.

"Loss of this millage would seriously handicap the operations of our schools and necessarily curb the fine program we now have underway for our children," VanHorne stated.

The combined levy-bond issue would enable the district to receive additional financial aid for continuation of the building program, he said.

VanHorne explained the state has alloted a grant of $326,000 for the district on condition of partial repayment and that the district be at the maximum bonded indebtedness of 9 per cent as required by the state.

In partial payment, the district must pay the returns on a half-mill levy, which amounts to $4,500, for 23 years. To reach the maximum bonded indebtedness, the district will have to approve a bond issue raising the indebtedness 1.6 mills.

"From this bond issue would come $209,000, which added to the state grant, would provide $535,000 for completion of our building plans," VanHorne said.

The annual cost of the new levy-bond issue would be $2.10 per $1,000 of property valuation, he said.

"We know, and we feel you know, that this money will be invested wisely in educational facilities for youngsters in this district. We are grateful for help and understanding which residents have shown before in matters of this kind, and urgently solicit your support again this year," VanHorne concluded.

# 71 Irondale Students Make Honor Roll For First Period

IRONDALE — Seventy-one students from Irondale School and Stanton Local School were named to the honor roll for the first six-week period.

Supt. C. P. Henderson said the fifth grade had 11 honor students, the highest total for any of the 12 grades. The students include:

First grade—Deborah Hoobler, Deborah Hughes and Sue Sevek.

Second—Ray Chevront, Karen Hensley, Kathryn Leedy, David Olesky, Joseph Olesky and Danny Smith.

Third—Randall Frampton James Herrin, Calgary Penn, Margaret Gill, Connie Hoge and Vicki Tolson.

Fourth—Marsha Gill, Ruth Lutton, Anthony Scarabino, Jeffrey Tice and Larry White.

Fifth—Cheryl Blackburn, Verna Howell, Barbara Banfield, John Leedy, Bruce Burgett, Randy Perkins, Larry Spires, Barbara Sevek, Gwendolyn Parker, Linda Oliver and Edna Russell.

Sixth—Susan Gill, Wesley Burgett, James Pilutti, Helen Rose, Kenneth Russell, James Sambroak and Charles Sayre.

Seventh—Joyce Blackburn, Paul Laney, Sherill Lysle, Patricia Nicholson, William Tice and Karen Workman.

Eighth—Darline Baker, Sarah Jane Paisley, Mary Alice Russell, Karen Tolson and Mary Jean Willis.

Freshmen—Kent Cline, Donna Dray, Thomas Grafton, Clyde Griffith, Yvonne Lawrence, James Leedy, Donna Russell, Linda Russell and Marilyn Scheel.

Sophomore—Paulette Cronin.

Juniors—Earl Allen, Lonnie Frayley, Douglas Logan, William Mosser, John Pilutti, Susann Russell and Carol Sprouse.

Senior—Scott Patton, Boyd Penn, Loyd Penn, Doris Taylor and Jeffrey Wardeska.

## Youth, 16, Is Charged In Step-Father's Death

HUNTINGTON, W. Va. (AP)—A 16-year-old Wayne County youth has been charged with murder in the shooting of his step-father outside a Huntington tavern last night.

Two other youths were charged as accessories.

The victim, Homer Buskirk of Wayne, was killed by a single .22 caliber rifle shot fired from ambush as he emerged from the Pony Beer Tavern in West Huntington.

Buskirk's stepson, Dallas Wilson admitted the shooting, Detective Chief Herman A. Frazier said. The officer said Wilson told police Buskirk had mistreated Mrs. Beulah Buskirk, the victim's former wife and the boy's mother.

## Home Demonstration Groups Set Meetings

LISBON—A project on making Christmas decorations with popcorn will be presented at the meeting of the Fairfield Friendly neighbors, home demonstration group, Wednesday from 10 a. m. to 3 p. m. at the home of Mrs. Harry Miller of Columbiana R. D. 2.

A Civil Defense program will be conducted by the Knox Township home demonstration group Thursday at 1 p. m. at the home of Mrs. D. M. Allison of Alliance R. D. 5.

# Global Trip Completed In 50 Days By Pilot, 39

NEW YORK (AP)—Around-the-world-in-50 days, a one-man show starring pilot Charles F. Banfe Jr. in his stocking feet aboard a single-engine plane, has closed after an extended run.

Banfe, 39-year-old flier from Palo Alto, Calif., touched down at Idlewild Airport Sunday in his low-winged Mooney single-seater to complete in 50 days a 22,000-mile globe-circling flight he had planned to accomplish in eight days.

"Boy, am I glad to be back," said Banfe as he climbed wearily from the orange and black craft into a chilling rain. "I thought I'd never see this airport again."

Banfe began his around-the-world flight from Idlewild Sept. 6.

He said he flew at altitudes from 150 to 12,500 feet and sat at the controls in his stocking feet because it gave him a "more sensitive feel."

Banfe's ambitious plan received a setback on the first leg — a planned nonstop hop from New York to Rome, 4,312 miles away. A balky fuel pump forced him to crash-land on the Mediterranean island of Corsica, 250 miles short of his goal.

Bad weather and mechanical difficulties plagued him the rest of the way, and he had to make forced landings 14 times. Various troubles added 12 unscheduled cities to his itinerary.

Banfe, married and the father of four, is on vacation from Pan American World Airways. He regularly flies the Pacific.

## Progressive Council To Hear City Officials

Mayor Fred P. Lawrence, Safety-Service Director Dan Maggianetti and Councilman George Willshaw, chairman of the finance committee, will speak at the meeting of the United Progressive Council Thursday night on the third floor of the Hill Building.

The three men will speak on the need of retaining the city income tax at the Nov. 4 general election, while two opponents of the tax also are expected to speak.

## City Club Sends 5 To Discussions On Area's Aborigines

A five-member delegation from the city's Aboriginal and Explorer's Club attended the annual meeting of the West Virginia Archaeological Society Saturday in Moundsville, when officers were elected and several historical talks were presented.

Highlighting the morning session was a report on the beautification of the Moundsville mounds by Delf Norona, curator of that city's museum, and election of officers. Sigfus Olafson of Wheeling was returned as president.

In the afternoon following a luncheon, Dr. Don W. Dragoo of the Carnegie Museum in Pittsburgh talked and showed color slides of the Gatts Mounds at Cresap, W. Va., and John W. Whitthoft of the Pennsylvania State Museum discussed "Late Prehistoric People of the Upper Ohio Valley."

Other talks included those by Olafson on late prehistoric periods in West Virginia and "A Refugee Wyandotte Town In 1748" by Marco M. Herbatin. Possibilities of forming a chapter with members residing in the West Virginia Panhandle also was discussed.

Attending from the city's club were Harold Dawson, president, William Patterson and Richard S. Thompson, all of East Liverpool, Harry R. Cline of Wellsville and John C. Fitch of Lisbon. The next meeting of the East Liverpool club will be Nov. 3.

## Hancock Will Send 10 To Education Meeting

Ten Hancock County teachers, including six from schools in New Cumberland, Chester and Newell, are scheduled to attend the annual meeting of the West Virginia Education Association Thursday and Friday in Charleston.

They are Joseph Endry and Robert Roach of New Cumberland High School, Miss Betty Buben of Chester Central and Mrs. Elizabeth Tuttle of Chester Washington, Mrs. Caroline Mountford of Wells High School at Newell and Miss Dorothy Talbott of the Jefferson School at Newell.

Attending from Weirton will be Miss Gloria Ceroy, Frank Endry, Mrs. Eleanor Streiber and Chester Grossi. Joseph Endry is president of the County's Education Association. Roach is vice president.

Teachers will be meeting on a state-wide basis for the 92nd time in 94 years, officials said.

## 2 School Officials Attend State Meetings

Dr. Ralph H. Jewell, superintendent of Midland public schools, and William Walters, high school principal, left today to attend conferences of school administrators.

Jewell is attending the State Superintendents Conference at Buckhill Falls, Pa., which lasts from today through Thursday. Walters is attending the State Secondary Principals convention at Harrisburg today and Tuesday.

SUMMARY of Above Data:

38 Communities in Ohio currently levy an Income Tax.

In 25 (66%) of these, their City Council has enacted the ordinance and no Referendum has been sought at this writing. In the other 12 cities the issue has received substantial majority approval when tested by Ballot.

In 29 communities (76%) the Tax has been adopted in the last 5 years.

In over half (19) of the towns the tax rate is 3/4 of 1% or higher.

(73%) of these communities have population under 35,000 . . . an indication that smaller cities (such as East Liverpool) are those hardest hit by dwindling tax revenue, and increased demands for improvements and services.

37 OTHER CITIES IN OHIO HAVE A CITY INCOME TAX

The idea for a City Income Tax did not originate in East Liverpool. Thirty-seven other Ohio cities have made effective use of this means to solve their financial problems. In each case the citizens of those cities are more than happy with the results. The names of these cities are listed at the left and you will note that the city councils in every one of these cities enacted their City Income ordinance. Only 12 of the 37 cities put it to a vote of the people and every city passed it by a wide margin at its last election. Let's do the same for East Liverpool.

YOUR CITY ADMINISTRATION HAS BEEN GIVING YOU GOOD MANAGEMENT —THEY NEED YOUR SUPPORT!

Deaths and Funerals

# Joseph Rabon Claimed At 91

## Ex-Laundry Worker Dies Of Long Illness

Joseph Rabon, formerly of East Liverpool, died Sunday at the home of his sister, Mrs. Mary Wick of Bradenton, Fla., with whom he resided. Ill for several years, he was 91.

A native of Brunswick, N. C., he had worked as a foreman at the Woodbine Laundry Co. here and at several other laundries. He was a member of the First Presbyterian Church.

His wife, Mrs. Nellie Burton Rabon, died March 11, 1952.

Besides his sister, he is survived by a brother, W. H. Rabon of East Liverpool.

Arrangements are incomplete. The Martin Funeral Home will be in charge.

## Fred Hart

Fred G. Hart of Ravenna died Saturday at 9:15 p. m. at Cleveland Clinic following a short illness. He was 75.

He was born in Columbiana County Oct. 18, 1883, and had lived in Ravenna 42 years. He was a member of the Ravenna First Methodist Church, the Church Choir, the American Legion Men's Chorus, the Sons of Union Veterans and the Postal Employes Association. He was a Ravenna mail carrier from 1925 to 1953 and later worked at the Portage County recorder's office.

He is survived by his wife, Mrs. Myrtle Hart, at home; two sons, Kenneth Hart of Girard and Lt. Col. Frederick Hart of Washington, D.C.; a daughter, Mrs. James Mann of Rootstown, Ohio; two brothers, Judge William L. Hart of Alliance and Charles G. Hart of Salem; two sisters, Miss Margaret Hart and Miss Bertha Hart, both of Leetonia R. D. and five grandchildren.

Services will be held Tuesday at 1:30 p. m. at the Wood Funeral Home in Ravenna. Burial will be at Maple Grove Cemetery there.

Friends may call at the funeral home tonight.

## Frank Tennerelli

Frank Tennerelli, 364 Midland Ave., a retired Midland borough employe, died Sunday at 3:50 p. m. at City Hospital after a brief illness. He was 75.

He was born March 22, 1883, in Italy. He was a member of the Midland Presentation Catholic Church.

He is survived by four sons, John Tennerelli of Pittsburgh, Nick Tennerelli of Midland Heights, Patsy Tennerelli of Midland and Pete Tennerelli, at home; a daughter, Miss Lucy Tennerelli, at home, and seven grandchildren and six great-grandchildren.

Services will be held Wednesday at 10 a. m. at the church by Fr. Francis Paul, pastor. Burial will be in Beaver Cemetery.

Friends may call at the Schwerha Funeral Home after 7 p. m. today.

## Mrs. Effie Kinsey

Mrs. Effie Boyce Kinsey of the Old Wellsville-Salineville Rd. died at home Sunday at 7:50 a. m. of a stroke. In ill health for a year, she was 70.

She was born in Wellsville June 6, 1888, daughter of the late Mahlon and Frances Randolph Downard. Except for four years as a resident of Augusta, Ohio, she had lived in Wellsville and vicinity all her life. She was a member of the Oak Ridge Presbyterian Church and its Missionary Society, and Wellsville Chapter 417, Order of Eastern Star.

Her first husband, George Boyce, died Nov. 5, 1944. Later, she married Thomas Kinsey of Augusta, who died July 1, 1955.

She is survived by a son, James G. Boyce, at home; two daughters, Mrs. Gladys Patterson of Erie, Pa., and Mrs. Frances Poynter of Wellsville, R. D.; a brother, Elmer Downard of Highlandtown; six step-daughters, Mrs. Mary Turnipseed, Mrs. Christine Ossler, and Mrs. Dorothy Locke, all of Augusta, Mrs. Pauline Brown of Massillon, Mrs. Emma Rhodes and Miss Evelyn Kinsey, both of Cleveland; four step-sons, Thomas Kinsey, Lafe Kinsey and George Kinsey, all of Augusta, and William Kinsey of Minerva, several step-grandchildren, one grand daughter and one great grandchild.

Eastern Star services will be held Tuesday at 8 p. m. at the MacLean Funeral Home in Wellsville. Services will be held Wednesday at 2 p. m. at the funeral home by the Rev. E. E. Bacon. Burial will be in Oak Ridge Cemetery.

Friends may call at the funeral home tonight and Tuesday afternoon and night.

## Mrs. Margaret Jones

Mrs. Margaret B. Jones, 502 Jefferson St., Newell, died Sunday at 9:45 p. m. at the home of her daughter, Mrs. Grace Smith of Lisbon, after an illness of five months. She was 75.

She had resided in this vicinity 52 years. Her husband, E. S. Jones, died Aug. 9, 1955.

Besides her daughter, she leaves two sons, Clyde Jones of Weirton and Gail Jones of Georgetown, and five grandchildren.

Services will be held Wednesday at 2 p. m. at the Martin Funeral Home by Emerson Booth of Jehovah's Witnesses, assisted by the Rev. Tom Hammerton of the Lisbon Methodist Church. Burial will be at Locust Hill Cemetery.

Friends may call at the funeral home Tuesday afternoon and night.

## Mrs. Celia Todd

Mrs. Celia Todd, 64, of 933 May St., died at 10:55 a. m. today at City Hospital, where she had been a patient since Oct. 5. She resided with an aunt, Mrs. Ella Emmerling.

The body was removed to the Arner Funeral Home. Arrangements are pending.

## Miss Emma Kerr

Miss Emma Kerr, formerly of East Liverpool, who had been in the McGuire Memorial Hospital in Beaver Falls for about 18 months, died Sunday morning after a long illness. She was 90.

She was born in Racoon Township, Beaver County, the daughter of the late Dr. Presly M. and Nancy J. Kerr. She was a member of the First United Presbyterian Church here.

She is survived by a brother, Anderson I. Kerr of Beaver.

Friends may call at the Wilson Funeral Home in Beaver Tuesday from 2 to 4 p. m. Wednesday morning at 11, the body will be removed to the First United Presbyterian Church here, where the body will lie in state until the services at 1:30 p. m. Dr. A. K. Davison will officiate.

Burial will be in Riverview Cemetery.

## Juliette Low Program Of Scouts Attracts 300

Approximately 300 attended the Juliette Low program of the East End Girl Scouts Sunday afternoon at the East Junior High School.

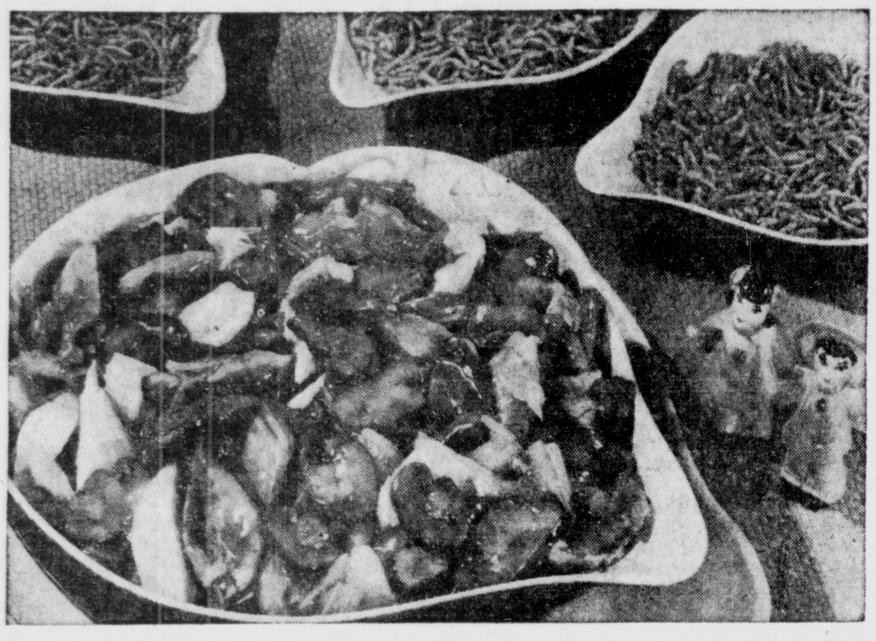

The flag salute was led by Janet Birch of Troop 60. Girl Scouts representing the various troops turned in $14.42 for the Julliette Low Fund. The money was turned over to Mrs. Leslie Blumenthal, Juliette Low chairman.

The committee in charge included Mrs. Mary Hughey and Mrs. Bernard Bowersock, co-chairmen, assisted by Mrs. Wanda Birch, Mrs. Florence Buchanan, Mrs. Dorothy Robinson and Mrs. Helen Adams.

## McElroy Visits Tehran

TEHRAN, Iran (AP) — U.S. Defense Secretary Neil McElroy arrived in Tehran today for a short visit. He is on the homeward leg of a world tour of U.S. defense installations.

# Turkey Chow Mein Has Real Chinese Flavor

The popularity of Chinese foods continues to grow, with chop suey and chow mein becoming as familiar to homemakers as many of the traditional American foods.

Turkey chow mein makes an advantage of both the popularity trend and of the plentiful supply of turkey to be found on the market.

**Turkey Chow Mein**

1 can bean sprouts
2 tablespoons fat
1 tablespoon finely diced onion
1 cup sliced celery
1 teaspoon salt
¼ teaspoon ginger
Dash pepper
6-oz. can sliced broiled mushrooms
2 cups coarsely cubed cooked turkey
¾ cup turkey broth
2 tablespoons cornstarch
¼ cup cold water
1 teaspoon kitchen bouquet
Chinese fried noodles

Prepare beans for cooking, cutting diagonally into 1 - inch lengths. Cook until barely tender in small amount of boiling salted water. Meanwhile, melt fat in 9-inch sillet with tight fitting cover. Add onion and celery and saute for 2 minutes.

Sprinkle with salt, ginger and pepper. Add contents of can of mushrooms, turkey and turkey broth. Cover and bring to boil. Lower heat and simmer, about 5 minutes.

Add cooked beans. Blend together cornstarch, cold water and kitchen bouquet. Gradually add to chow mein, stirring constantly and cook, until broth thickens and comes to boil. Serve immediately over heated Chinese fried noodles.

# 25,000 Already In Line For First Trip To Moon

By J. F. TER HORST

WASHINGTON "Wanted: Nervy young man, preferably bachelor, with scientific background, plenty of common sense, in top physical shape, to risk life on rocket ride to moon."

That's the composite picture of the first moon-bound man as sketched by military and civilian space experts and underscored by the Pioneer's lunar probe attempt.

But there won't be a need to run advertisements for applicants.

An estimated 25,000 persons already have applied for the honor of being the first man in outer space through letters to the Pentagon, to the National Academy of Sciences and to the men involved in running America's space projects.

**"WE'VE ACTUALLY** stopped counting," said Maj. William Coleman, information director for the Air Research Development Command (ARDC) at Andrews Air Force Base here.

"Besides, we're not planning to pick the man by mail."

Selection of the first space traveler will be done after a series of exhaustive physical and mental tests and probably from the ranks of high-altitude test pilots or young men now at work in missile laboratories.

If a few more years elapse, the honor may go to one of the hundreds of teen-agers now plaguing the Pentagon with homemade formulas for new rocket fuels.

**TESTS ALREADY** conducted by ARCD call for a man with these specifications:

Age—ideally, between 18 and 21, the peak of man's physical life, but other requirements will probably dictate someone between 21 and 28.

Education—aeronautic engineering, physicist, pilot or rocket expert, equipped to operate the complicated instruments that will be his only companions on the first space flight.

Mental makeup—unafraid of possible death, capable of withstanding tremendous strain and isolation, "with uncommon common sense to think clearly and make rational decisions in seconds."

Physical traits—trim, average height, body organs capable of withstanding fantastic speeds, wide ranges in temperature, air pressure and gravity.

**SCIENTISTS SAY** Pioneer's data will help immeasurably in rechecking some of the requirements for man's survival in space.

But it already has proven, they say, that man can probably pass through the high altitude radiation band without serious injury if he does it quickly enough.

Still unsolved is the problem of bringing him back alive—re-entry into the dense, high friction atmosphere of the earth.

"If we knew how the human body's thermostat works, we probably could double man's tolerance of heat," said Dr. Paul Webb, one of the leading ARDC scientists.

Man is able to withstand heat generated within himself better than he is able to withstand heat from the outside, Dr. Webb explained. Science is trying to find out why.

An office worker can keep going "normally" until he reaches a 102-degree fever. A laborer can work until a fever reaches 104.

Stainless steel can be rolled into strips thinner than a human hair. A stack of 1,000 pieces would be only about one inch thick.

# Traffic

(Continued from Page One)

at home, and his maternal grandparents, Mr. and Mrs. George Black of Beaver Falls.

Services will be held Wednesday afternoon at 1:30 at the Oliver Funeral Home at East Palestine, with the Rev. C. E. Richardson of the Negley Methodist Church in charge. Burial will be in Glenview Cemetery.

Friends may call Tuesday night at the funeral home.

## *County Crash Series Injures 9 On Weekend*

A head-on crash near New Garden, a one car mishap near East Fairfield and the collision of an auto with a deer at Williamsport resulted in injuries to nine over the weekend, the State Highway Patrol at Lisbon reported.

Cars driven by Howard Emmons, 36, of Homeworth and Gerald Marks, 16, of Lisbon R. D. 4 smashed head-on on Route 172 four miles west of New Garden Sunday afternoon about 2:45, officers said.

Marks passed on a hillcrest and rammed the oncoming auto driven by Emmons, officers reported. Emmons suffered a cut of the chin, multiple abrasions of the knees, forehead and hands, and Lola Emmons, 34, a passenger received a fractured hip and cuts of the face.

Marks suffered a cut of the lip and right knee, while a passenger, Larry Marks, 14, suffered concussion and cuts of the chin and left leg. Another passenger, John Hanna, 14, of Lisbon, received a fractured wrist and lacerations.

All were taken to Alliance City Hospital. Officers said Marks faces a charge of reckless operation.

Cecil Barker, 23, of 196 E. North Ave., East Palestine, is in "fair" condition at Salem City Hospital with injuries received when his car went off the road and hit a gas pipe Saturday.

Officers said Barker was headed east on Route 517 at a high rate of speed when he lost control, went off the right side of the road and hit the pipe about six miles west of East Fairfield. The crash demolished the 1954 sedan, the patrol reported.

Barker received lacerations of the shoulder and right leg and scalp and possible fractures of the right arm and pelvis. The patrol is investigating.

A car driven by James Yates, 30, of Columbus struck a deer on Route 7 at Williamsport Sunday night about 10:30, then veered off the road and struck an embankment, injuring the driver and two passengers.

Yates was treated at City Hospital for abrasions of the forehead. Lee Garland, 15, of Levittsburg was treated for a cut of the eyebrow and Patricia Mozak, 16, of Warren was treated for bruises of the head, eye and hip.

The deer ran away, officers said.

Minor damage resulted to a car driven by Bernard Santucci, 38, of Youngtown when he swerved into a ditch to avoid a collision on Route 164 at the intersection with Route 517 just north of Lisbon yesterday morning.

Santucci, headed east, and Harold Adams, 24, of Lisbon R. D. 5, headed west, started to make left turns at the same time. Both became confused as to what the other planned to do and Santucci swerved off the road, the patrol said.

## Hamilton Bus Drivers Strike In Route Shifts

HAMILTON, Ohio (AP) — This city goes to work today without buses and it may produce the biggest traffic snarl in 15 years.

Pickets went up around Hamilton Transit Co. early Sunday in a strike of drivers over proposed route changes.

Negotiations broke down Saturday between the company and Bus Drivers' Local 738. The walkout affects 58 drivers and 12 maintenance men. No meetings are planned.

The route changes would curtail some evening service and extend routes into some suburbs. A company spokesman said the changes would cut some drivers' wages about 16 per cent, but none would be laid off.

The spokesman said the walkout violated a contract arbitration clause. A union leader said the proposal to arbitrate was with the understanding that the route changes—slated to start Sunday—would be held up. The company rejected this idea.

This is the first bus strike here in 15 years.

## Found The Hole

ROANOKE, VA. (AP) — City Councilman C. M. Cornell heard complaints about holes in the street. He discovered one — an open manhole into which the front wheel of his car dropped. What next? He said he replaced the cover.

## Beekeeper Prefers Bee Sting To Mosquito's

MORRISTOWN, N. J. (AP)—Every cloud has a silver lining department:

Porter Evans, a beekeeper by hobby, says he'd much rather be stung by a bee than a mosquito. "A bee sting feels good," he said.

# The Social -:- Notebook

Approximately 75 persons attended the masquerade party sponsored by the Fellowship and Home Builders Classes of the LaCroft Church of the Nazarene Friday night in the recreation room of the parsonage. Teen-agers of the church were guests.

The blessing was given by the Rev. Ray E. Banks, pastor.

Prizes in games were awarded Jack Chapman, Mrs. Leyda Brown, Mrs. Echo Gilkinson and Johnny Baker.

The committee from both classes was comprised of Mrs. Hazel Silverthorn, Mrs. Chloras Densmore, Mrs. Louise Barrett, Mr. and Mrs. Ed Ward, Mrs. Maxine Lyle, Mrs. Gilkinson and Mrs. Pat Elliott.

The next meeting of the Builders Class Nov. 21 at 6:30 o'clock will feature a turkey coverdish dinner. The social committee will include Mrs. Kathleen King, chairman, Mrs. Ruth Bulmer, Mrs. June Ward and Mrs. Viola Densmore. Mrs. June Toland will be in charge of devotions.

The group will count tax stamps afterwards.

The Fellowship Class will meet Nov. 28 at 7:30 o'clock. Serving on the social committee will be Mrs. Hazel Banks, Mrs. Gwen Dailey and Mrs. Mabel Gray. Devotions will be by Mrs. Helen Ward.

⁂ ⁂ ⁂

Men of the church were guests at a meeting of the Women's Society of Christian Service of the Orchard Grove Community Methodist Church, Tuesday night at the church. Fifty attended.

Mrs. James Welker played the organ for group singing of the hymn, "I Love to Tell the Story." The Rev. James Gardner led prayer and Mrs. Lee Cooper read from Ps. 33.

Mrs. Haldane Moore, secretary of missionary education, announced a study class on the book, "Middle East Pilgrimage," will begin Nov. 3 at 1:30 o'clock at the church and will continue for six weeks.

The group was reminded by Mrs. Joseph Cooper, secretary of local church activities, of the rummage sale to be held the week of Nov. 10 in the rear of the City Market on Broadway.

Mrs. Gardner, secretary of spiritual life announced that Mrs. Herbert Massey of East Palestine, wife of a former pastor, will be the leader at a meeting to be held in the church Nov. 2 from 7 to 8 o'clock. This meeting will mark the close of the annual "Week of Prayer and Self Denial" that began Saturday.

A fellowship tea will be featured at the close of the meeting and the offering envelopes will be turned in.

World Community Day, sponsored by the local United Church Women, will be held at the church Nov. 7 at 2 o'clock.

Mrs. Fred Banfield introduced Dr. W. J. Smart of England who is in this country under the auspices of the World Methodist Council. Formerly pastor of the Methodist Church at Taunton, England, he is a lecturer and author. He spoke on "Three Thousand Years of China."

A ware party will be held at the Gardner home today, sponsored by the Afternoon Circle.

The third annual participation of the church in the UNICEF program will be shared this year by the Junior and Cherub Choirs under the direction of Mr. and Mrs. William Gibbs. The children are to meet at the church at 6 o'clock Thursday, where they will be given containers to be taken around their neighborhood for contributions. They will be accompanied by adults.

The worship table was prepared by Mrs. Gardner using the theme, "Love Thy Neighbors." Money and dolls of different nations were on display.

Refreshments were served by the Afternoon Circle.

The next meeting will be held Nov. 12 at 8 o'clock. Devotions will be led by the Afternoon Circle, the program by the Annie Holmes Circle and the social by the Mina Brokaw Circle.

⁂ ⁂ ⁂

The Naomi Circle of the Pennsylvania Ave. Methodist Church was entertained by Mrs. Florence Wolfe at the home of her daughter, Mrs. Bob Adkins, of Meadow Rd. Friday night.

Mrs. A. S. Hill president, presided and reports were heard from Mrs. Nellie McIllvane, treasurer, and Mrs. A. J. Neiser, secretary.

Mrs. McIllvane led devotions and used Ps. 100 and read an article from the Upper Room magazine, entitled, "Song of the Bible."

The group signed get-well cards and also made a missionary donation to the WSCS.

During the social hour, games were under the supervision of Mrs. Adkins and prizes were presented to Mrs. Mary Wright, Mrs. Wilma Nichols and Mrs. Neiser.

Lunch was served by the hostess, assisted by her daughter and Mrs. Nichols, a guest.

The next meeting will be Nov. 21 at the home of Mrs. Neiser, 1441 Pennsylvania Ave.

⁂ ⁂ ⁂

A refreshments committee for the inspection event scheduled for Nov. 14 were named at the meeting of the Pride of the Valley Council 4, Daughters of America, Friday night in the Sons of Veterans Hall.

It includes Mrs. Mary Matthews, Mrs. Emma Thompson, Mrs. Lois Hohmann and Mrs. Nora Fuller.

All officers and degree team members are to wear white.

The meeting was conducted by Mrs. Stella Wright, councilor. Plans were made to attend the union meeting of District 6 Nov. 6 at Martins Ferry and the meeting of the Past Councilors Association Nov. 10 at Toronto.

The next council meeting is Nov. 14 at 7:30 o'clock.

⁂ ⁂ ⁂

"The Problems of Evangelism" was the missionary topic led by Mrs. Ruth Palmer at the meeting of the Mary Anna Circle of the Longs Run Presbyterian Church Friday night at the home of Mrs. Frank Fisher of Calcutta. Twelve were present.

A group discussion was featured following the missionary topic. Mrs. Lois Myers, chairman, led prayer.

A flannelgraph on the first and fourth chapters of Luke was directed by Mrs. Mary Pepin. Business was conducted by the chairman.

Guests were Mrs. Robert Fogal, Mrs. Dorothy Ferguson, Mrs. Louise McElhaney, Miss Marge Dray and Mrs. Pepin.

Lunch was served by the hostess, assisted by her daughters-in-law, Mrs. JoAnn Fisher and Mrs. Jackie Fisher, and her niece, Miss Dray.

The next meeting will be held Nov. 20 at the home of Mrs. Ruth Carroll of Calcutta.

⁂ ⁂ ⁂

There were six guests at the Halloween party of the BHNO Club at the home of Mrs. Evelyn Wolfe, 721 Cadmus St., Wednesday evening.

They were Mrs. Joyce Renner, Mrs. Alberta Wolfe, Mrs. Maxine Fudrich, Mrs. Kay Steff and Mrs. Nedra Springer.

Decorations were in the Halloween theme and members were in costumes. Prizes at games went to Mrs. Irene Early, Mrs. Naomi Wolfe, Mrs. Evelyn Wolfe and Mrs. Steff.

Lunch was served buffet-style by the hostess, assisted by Mrs. Mary Clendenning.

Next meeting will be Wednesday night at 8'oclock at the home of Mrs. Early, 1830 Smithfield St.

⁂ ⁂ ⁂

Two tables of 500 were in play at the meeting of the Amegas Club Friday night at the home of Mrs. Novella Peterson of Aten Ave., Wellsville.

Prizes were won by Mrs. LaRue Yetter of Midland Heights, Mrs. Mabel Hull and Mrs. Delma Gillespie.

The hostess was assisted in serving refreshments by Mrs. Norma Peterson, a guest.

Mrs. Mabel Hull of Elm St. will entertain Nov. 7.

⁂ ⁂ ⁂

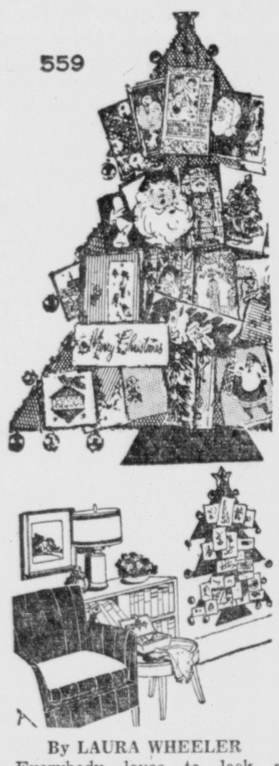

A "come-as-you-are" party highlighted the meeting of the Hill and Dell Club Friday night at the home of Mrs. Vera Doss of East Palestine. Twelve attended.

Games were played.

Lunch was served by the hostess, assisted by Mrs. Ruth Doss.

A white elephant sale will feature the meeting Nov. 28 at the home of Mrs. Dorothy Martin of Frederickstown.

### One Hit, No Runs

NOGALES, Ariz. (AP) — It was just one of those days for Marlin Saline, 29, of Phoenix. He rammed his auto into a State Highway Patrol car, parked at the Nogales police station. Saline, promptly nabbed, was charged with drunken driving.

# *Lemon-Applesauce Flavors Baked Chicken*

Especially appropriate for baked chicken is Lemon - Apple Sauce. Served hot, it's a delectable variation for a favorite dish.

Arrange chicken in an ovenproof dish, placing a small piece of chicken fat or a small amount of butter on each piece. Bake until tender, then serve with the hot sauce.

**Lemon-Apple Sauce**

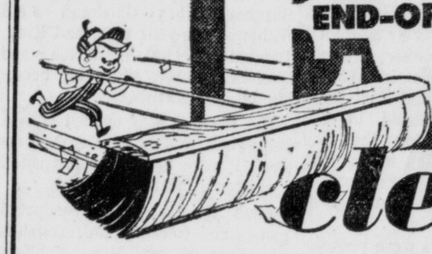

¾ cup lemon juice or
1 (5¾ fl. oz.) can frozen lemon juice concentrate
¼ cup water
2 medium - size apples, cut into small wedges
1½ cups water
1 cup sugar
½ cup instant nonfat dry milk powder
1-3 cup flour

Combine lemon juice and ¼ cup water in bowl. Add apple wedges; let stand 20 minutes. Drain apple wedges well. Stir into sauce. Serve hot over Baked Chicken.

Sprinkle sugar, instant nonfat dry milk powder and flour over surface of water; beat with rotary beater until blended. Cook over boiling water, stirring constantly, until mixture thickens (about 10 minutes)

Drain apple wedges well. Stir into sauce. Serve hot over Baked Chicken.

# Webelos Awards Presented 2 Boys In Cub Scout Pack 36

Two members of Cub Pack 36, sponsored by the Longs Run Presbyterian Church, received the Webelos award, the highest in cubbing, at a ceremony Friday night at Calcutta School. About 125 were present.

Douglas Turnbull, cubmaster, assisted by Mrs. Geraldine Schnieder, a den mother, presented the Arrow of Light in Webelos to James Turnbull and Earl King.

The two boys assisted in the opening by conducting the flag ceremony and leading in the flag salute and the Lord's Prayer.

After Webelos, the youths graduate into Boy Scouts.

Several other boys were presented pins and badges. They included Jimmy Williams, Rodger Roe, Billy Torrence, Milton Cook, Ross Kent Bell, Barry Green and Alex Lane, Bobcat pins; Green, Jimmy Rabon, Danny Hickman and James Green, Wolf badges; Jack Myler, Bear badge.

Daryl Seckman and Fred Dailey, Lion badge; Barry Green, Rabon, Jeffrey Welch, Hickman, Myler, James Tittle, Jim Williams, Bill Barnhart, Billy Croxall, Dailey and Seckman, Gold Arrow points; Tittle, Barnhart and Myler, Silver Arrow; Tittle, Bobby Brandt, Barnhart, Mark Goodman and Williams, one-year pins, and King, Turnbull, Seckman, Welch and Roe, neckerchief slides for bringing in new members.

The meeting was opened with a Halloween march. Members of Den 11 were hosts and presented a skit on American folklore.

Adolf Brandt Jr. conducted games and contests. Refreshments were served by Mrs. Frances Goodman, assisted by the den mothers and committeemen.

# Rep. Hays Cited At Party Dinner Attended By 400

About 400 attended the Columbiana County Democratic campaign dinner at Leetonia Saturday night, when Mrs. Edna Kelly, congresswoman from New York, praised Rep. Wayne L. Hays, 18th District congressman, and said she "wouldn't be surprised to see him on a national ticket in 1960."

Mrs. Kelly, of Brooklyn, cited Rep. Hays as one of the 85th Congress' "outstanding leaders." She also praised the county Democratic ticket in the Nov. 4 general election, calling it "one of the best I've seen in my travels.

Don R. Gosney of Columbiana, county party chairman, said he hoped voters would follow Republican requests to "compare the candidates, because the voters would find the Democrats a younger and more active, public-minded group."

Miss Barbara DiSalle, daughter of Michael V. DiSalle, Democratic candidate for governor, was among the speakers. Others included Kenneth Bell of Wellsville, candidate for county auditor; Carl Stacy, candidate for clerk of courts, and John Kelly of Lisbon, candidate for state representative.

# 3 Plead Guilty To Larceny In Robbery Case

Three district men who stole a $600 armature and converted it into junk pleaded guilty to grand larceny in Jefferson County Common Pleas Court at Steubenville Friday.

Defendants were Thurman Allgood of Irondale, Hubert (Sonny) Kline, 26, of East Liverpool, and Howard Russell, 35, of Salineville, R. D. 3.

They were indicted by the Grand Jury Sept. 24 on charges of breaking and entering and grand larceny at a Hammondsville area coal mine owned by Anthony Abrutz of Youngstown.

The indictments charged that they stole about $5,000 worth of equipment from the mine. The three were allowed to plead guilty Friday to the lesser charge, grand larceny. They admitted stealing an armature worth from $600 to $700 and a furnace worth about $50.

Allgood, Cline and Russell said they sold the copper wire which was wound around the armature for $40 at a Wellsville junk yard. The wire has been impounded by Jefferson County officials.

Prosecutor Bernard T. McCann approved of the pleas as to the lesser offense, saying there was some question as to whether the mine had been broken into by someone else prior to the time that the trio had committed the theft.

Judge Arthur L. Hooper remanded the defendants to jail pending further proceedings to the case.

England, Ireland and Sweden are the only European nations where motorists drive on the left side of the road.

# Mishaps Claim 15 Lives In Ohio Over Weekend

By The Associated Press

Seventeen accidents took 17 lives in Ohio over the weekend. Twelve of the fatalities occurred on the highways.

Hit-skip motorists killed pedestrians in Cleveland, Middletown and Cincinnati. A Dayton man was killed when a flat-bed trailer broke loose from a truck and crashed into his auto. And a young Columbus contractor was killed and his wife seriously injured returning from the Ohio State-Wisconsin football game Saturday. Police said his car ran a red light and was struck from the side by another auto.

There were four non-traffic deaths.

A Columbus man was asphyxiated when a smouldering cigarette ignited a mattress in his apartment: A Dayton man plunged to his death while trying to install a television antenna on the roof of his house; a Cleveland physician drowned when the sail boat he was in capsized on Lake Erie; a worker at the Ohio Ferro-Alloy Co. plant in Brilliant, near Steubenville, died, apparently by electrocution.

The Associated Press tally of accidents includes the period from 6 p.m. (local time) Friday to midnight Sunday.

**Friday night**

Albert Fiorito, 37, Dayton, when a trailer broke loose from a truck and crashed into his auto on Needmore Road, about three miles north of Dayton.

Antonia Guarnera, 20, Cleveland, when his auto crashed into a tree in Cleveland.

**Saturday**

Mrs. Anna Tucki, 80, Cleveland, struck by an auto at a Cleveland intersection.

Roy Louis Hardin, 50, Middletown, struck by a hit-skip motorist in that city.

crash near Ravenna.

John H. Miller, 55, Suffield, Portage County, in a two-car crash when his auto skidded off Ohio 12 near Ravenna.

Harry E. Stormer, 61, Toledo, when his auto overturned on Ohio 65, north of Haskins near Toledo.

George Coman, 65, struck by a hit-skip motorist while crossing a Cleveland street.

Thomas D. Reeb, 31, Columbus, in an auto collision at a Columbus intersection.

John W. Webber Jr., 21, East Palestine, a passenger in an auto which crashed into a railroad crossing signal light in Wellsville.

The Rev. Clifford McCabe, 57, of Somerset in a headon collision three miles north of Murray City on Ohio 216.

**Sunday**

Richard Harmon, 22, when struck by an auto in front of his home on Ohio 75 near Ironton.

John Henry Jansen, 56, when he fell from the roof of his Dayton home while trying to install a television antenna.

James Barckhoff, 27, Fostoria, when his auto skidded off Ohio 12 and struck a tree one-half mile west of Bettsville in Seneca County.

Ranzo Roberts, 39, of asphyxiation, when a smouldering cigarette ignited a mattress in his Columbus apartment.

J. A. Kuntz, 73, Cincinnati, struck by a hit-skip motorist along a Cincinnati street.

Dr. T. Pillsburg, 26, resident physician at Cleveland Metropolitan General Hospital drowned when the sailboat he was in capsized in Lake Erie.

Charles J. Merkel, 22, of Glen Robbins, killed in an accident at the Ohio Ferro-Alloy Co. plant at Brilliant, Jefferson County. Attaches at the Ohio Valley Hospital in Steubenville said Merkel was electrocuted. However, the company said the accident still is being investigated.

## Venerable Melons

TABSCOTT, Va. (AP)—Nathan and Wallace Payne think they have about the sweetest watermelons grown. Variety? Guess you would have to call them Paynes. The family has kept growing them for 84 years from seed obtained in 1874.

They're Trying To---

---Turn Back The Clock!

Issue 2 is just the same old crowd trying to turn back the clock, trying to bring back "the good old days," trying to put over the same gimmicks in the same tricky way.

• WHAT CROWD?

The National Association of Manufacturers, the U. S. Chamber of Commerce, the Ohio branches of these outfits and the committees they spawn and finance and support.

• WHAT GOOD OLD DAYS?

The days when hungry workers lined up at the gates for a job, any job, at any wages, under any conditions.

• WHAT GIMMICKS?

Sneaky laws like Issue 2. They call it "right-to-work." But it gives no one a right to work anywhere.

SAME OLD CROWD—SAME OLD GOALS

*In 1903* they called it "compulsory open shop." They got it, and kept the 12-hour day by busting the unions.

*In 1920* they called it "the American plan." They got away with it, and kept workers hungry while Wall Street boomed.

*In 1958* they call it "the right to work." They think you will fall for it again, and line up again at the plant gates.

IT'S THE SAME OLD CROWD TRYING TO TURN BACK THE CLOCK

Vote X NO on issue 2 trick-titled 'right-to-work'

# Better Understanding Urged Upon Protestants, Catholics

CINCINNATI (AP) — A noted New England clergyman says he thinks Protestants and Roman Catholics need better understanding of a common faith.

Dr. Theodore P. Ferris, rector of Boston's Trinity Episcopal Church, told the 13th annual Festival of Faith here Sunday that Protestants inherited the Bible, Christian creeds, sacraments and liturgy from the old church.

He said, "The degree to which a Protestant shares in any or all of these things, to that degree he is a Catholic . . .

"It would clear the air of the religious world if we Protestants could get it across to Roman Catholics that we worship the same God they do, believe in the same incarnate Lord, try to live by the same divine pattern of life and pray for the same eternal life they pray for; and if the Roman Catholics could make it plain to us Protestants that in spite of great differences of ceremony and tirual, in spite of significant differences in doctrine, they are nevertheless servants of the same master we serve."

The festival, which drew 14,000 Protestant clergy and laymen from southwest Ohio, marks the anniversary of Martin Luther's first dissent from earlier church teaching.

Dr. Ferris said the church always needs reformation..

He said, "Our churches right now are crying out to be transformed from social halls and business offices into temples where men can worship God and then go about their work with a new vision and an altogether different motive."

# *Hunston Cites Blake's 'Debt' To Coal Firms*

In a speech at Clarkson Grange Saturday night, Atty. Walter Jay Hunston of Salem, Republican candidate for state senator in the 20th-22nd District, declared that the Democratic incumbent, Sen. Arthur Blake, "is too much indebted to the big coal interests to be objective in his approach to proper strip mine reclamation laws."

"I am interested in seeing that the farmer gets paid for the coal on his farm, the strip mine operator makes a profit so he can stay in business and that when the shovels leave we who are left in the community are not left sitting on ugly spoil banks licking our wounds and looking at our ruined land in despair," Hunston declared.

"In Columbiana County, especially, where the lands are already under lease in most cases, I want to be sure that the center of our county does not end up looking like much of Harrison County and the back parts of Belmont and Jefferson Counties," he added.

The GOP candidate said that of the 15 million tons of coal mined in Ohio in 1958, almost 11 million tons came out of the four-county senatorial district.

"When the present senator, Arthur Blake, was represented in his bankruptcy case in Federal Court and in his criminal action in Belmont County by the attorney who was the lobbyist for the big coal operators, I think I am justified in concluding that his vote has been pledged and bought in advance and he can't be objective," Hunston said. "When all of this money comes into our district to help elect Mr. Blake to office, I think the people have a right to know where a man who claimed bankruptcy in 1955 is getting it," he added.

"I am not 'anti' any group or industry but I hope to be able to represent all of the people who have a stake in the future of our area and not 'special interests'," Hunston said.

# County Scouts To Rate Model Cars In 2 'Pinewood' Derbies

The Columbiana Boy Scout Council is making plans for its first annual "Pinewood Derby" for Cub Scouts in district and council levels this fall in East Liverpool, Salem and Lisbon, according to Robert Beck, scout executive at the Lisbon headquarters.

From a block of wood, the cubs will carve out a car which is raced on an inclined track 30 feet long. The racers must meet certain specifications as to weight and measurement but the car design is left up to the cub and his father who may help him build it.

The Shawnee District, the northern half of the county, will hold its derby Nov. 15 at the Memorial Building in Salem, and the Cherokee District, the southern half including Chester and Newell, will hold one the same day at Westgate School. Starting time is 1 p. m. for both.

First, second and third place winners of each Cub Pack in the two districts will then compete Saturday, Nov. 22, at the Lisbon High School gymnasium at 1 p. m. and the fastest three racers in the council will be picked.

First, second and third place trophies will be awarded at both district derbies and at the council derby. Other recognition will be given to each boy who wins a race during the day.

Each Cub Pack will pay a $2 entry fee for the entire derby, which will defray the costs of trophies and awards.

Carroll Greene of Salem will head the Shawnee district derby and William Rayburn of East Liverpool will lead the Cherokee district. The council derby will be headed by Eugene Seeley of Chester, council camping and activities chairman.

The Pinewood Derby idea started in California about four years ago and has spread over the entire nation. Veterans hospitals through the country have adopted it as a vocational rehabilitation program for the patients.

The derbies are open to the public.

## Hancock Officials List November Clinic Dates

NEW CUMBERLAND — Hancock County Health Department officials have announced the November schedule for monthly immunizations and polio shots.

The first clinic is scheduled Wednesday, Nov. 5, at the Health Department building in New Cumberland. Others are planned Nov. 6, Nov. 13 and Nov. 20 in Weirton's Christian Center.

Chester residents will receive immunizations Nov. 18 at the Hancock County Federal Savings & Loan Association building on Carolina Ave.

## Heifer Gets Bum Steer On Higher Education

FINDLAY, Ohio (AP) — A 6-month-old heifer, apparently the victim of a bum steer, was found roaming the corridors of Findlay Senior High School today.

Maintenance man Joe Lawrence found the bewildered animal when he opened up the building. He called police and sheriff's deputies who helped round up the heifer and put her in a garage until the owner is located.

A centipede does not necessarily have just 100 legs. Some centipedes have as high as 173 pairs of legs and others have only 15. Thirty-five is probably an average number.

COUNTY DEMOCRATS ADOPT PLATFORM

1. We believe the commissioners should accept surplus food for our county's needy. We condemn the present commissioners for not acting on this program, and we pledge — after electing two Democratic commissioners—to put this program into effect.
2. We believe all automobile dealers should have the right to bid on cars purchased for the county. We do not agree with the present system of the commissioners in asking only a select few dealers to bid. We pledge that if R. Max Gard and Frank Wilson are elected commissioners, all dealers will be asked to bid every time an automobile is to be bought by the county.
3. WE DO NOT think the county's taxpayers should have to pay $180,000 for a reappraisal of the county's real estate. We feel if the present county auditor would do his own work, he could save the county thousands of dollars. We pledge, with the election of Kenneth Bell as auditor, the appraisal will be handled by the auditor's office and local people will be hired to aid Bell in the appraisal. This will also provide more employment on the local basis.
4. We also condemn the county auditor for not publishing a financial statement every year. We feel every citizen of Columbiana County has a right to know what condition our county's finances are in. We pledge Mr. Bell will publish a statement annually according to law.
5. The Democratic party of the county frowns upon the way present commissioners purchase gasoline and tires for county equipment. We do not think only friends of the commissioners should be able to sell to the county, but that every businessman in the county should have the opportunity to bid. We feel thousands of dollars can be saved by taking bids, and we pledge that Mr. Gard and Mr. Wilson, if elected will purchase items bid.
6. IT IS our belief the county is not receiving its fair share of modern highways, considering the county is among the top 15 largest of Ohio's 88 counties. We have only four miles of four-lane highway, and we feel our tax dollars are being spent elsewhere. We pledge John F. Kelly will work in the State Legislature to get more modern highways for the county, thus helping attract new industries.
7. We pledge that Attorney Robert S. Hartford will hold Common Pleas Court sessions from 9 a. m. until 4 p. m. and as a working judge, will help bring the court dockets up to date. We feel the present judge, seeking re-election, is not doing this and our dockets are filling up with court cases.
8. We pledge Carl L. Stacey will give prompt and efficient service in the title and legal departments five and a half days a week when elected clerk of courts.

# Builders Wait Big Ohio Show

## 3,000 Expected At November Meeting

COLUMBUS — A combination of top industry speakers and showing of new and intriguing building products is expected to draw upwards of 3,000 for the 15th annual Ohio Home Builders Convention and Exposition at the Veterans Memorial Building here Nov. 16-17-18.

Sponsored by the Ohio Home Builders Association, statewide organization of nearly 4,000 members, the three-day meeting will bring in high-ranking builders from all over the nation as speakers.

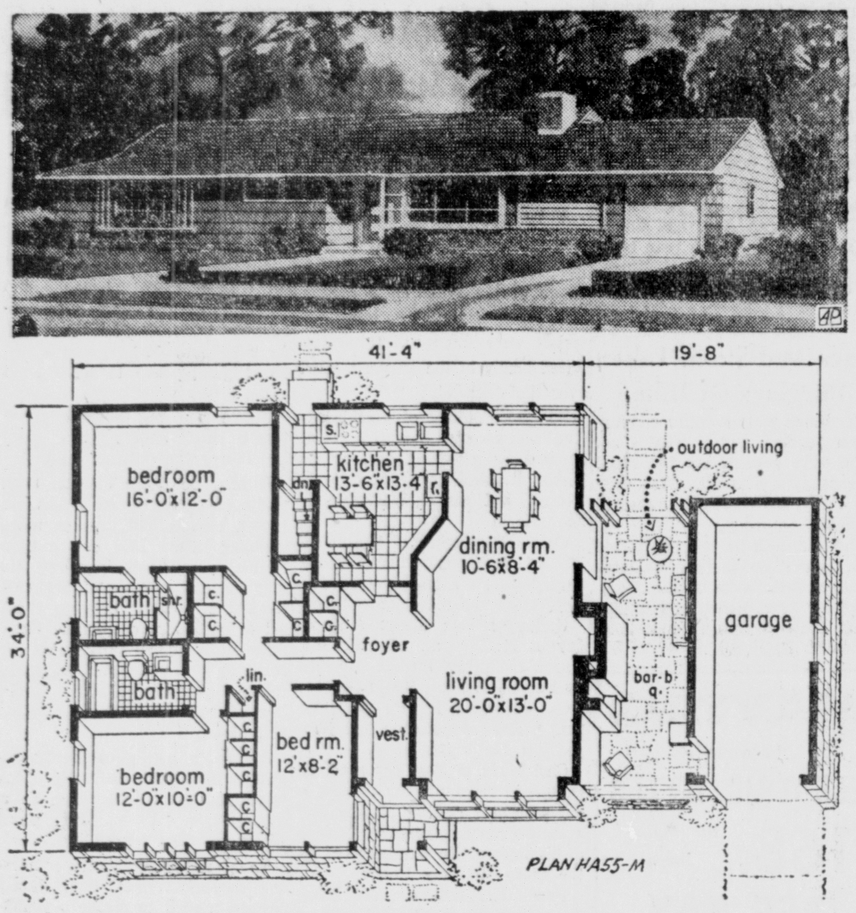

In addition, successful Ohio builders and manufacturers familiar with local problems and conditions will participate in panels and workshops. Topics will include construction techniques, land acquisition, financing, tax planning, cost control, prefabrication, legislation, research and manufacturers' aids to merchandising homes.

Simultaneously, products for every phase of home building will be on display in a trade show larger than any previous OHBA exposition. Completely new products as well as revised versions of standard items will be shown, explained and demonstrated for the delegates.

Several social events in addition to teas and luncheons for builders' wives will round out the convention program.

Election of OHBA officers for 1959 will be a highlight of the Board of Trustees meeting Nov. 17. John L. Morley of Mansfield is president and Clifford M. St. Clair is executive vice president in charge of association headquarters in Columbus.

The OHBA is comprised of 31 local home builders associations and is affiliated with the National Association of Home Builders.

**THIS ONE-STORY RANCH HOUSE,** although modest in size, has been designed with a luxury look. The plan, HA55-M, is by Designer Robert B. Marshall, 455 Herbert St., West Hempstead, N. Y. The habitable areas total 1,321 sq. ft., excluding the outdoor living patio. Add 242 sq. ft. for the garage.

# Here Are Characteristics Of Various Floor Finishes

By ANDREW C. LANG
AP Newsfeatures

What kind of floor finish should you use?

The manufacturers of shellac will tell you that this old - line product is still the best floor finish on the market.

Those who make varnish say that nothing gives as attractive an appearance or wears as well. The makers of penetrating sealers state that, for ease of cleaning and long life, the finish must sink into the wood. The same argument is used by the supporters of penetrating waxes.

And those who put out the synthetic floor - finishing materials are certain their products combine all the advantages of the older and better - known finishes.

This difference of opinion is not confined to the men whose incomes depend on the sales of their goods.

Every professional wood finisher has his particular favorite, not only among types of floor finishes but among brands. When you refinish a floor yourself — and sometimes when you have it done — the decision must be yours.

You can make that choice a bit more intelligently if you have some idea of the characteristics of the finishes. Here's a thumbnail lineup:

Shellac — Economical, easy to apply, fast drying. Produces a strong, shiny surface. Has a tendency to turn white on prolonged contact with water. Also can be marred by spilled liquor.

Varnish — Produces a glossy, attractive surface. Dries slowly. Wears very well. Inclined to become slightly darker with age. Poor-quality varnish becomes brittle. Good - quality varnish, flowed on and not brushed out, enhances the beauty of a pleasing grain pattern.

Varnish stain — General characteristics of varnish, but does not produce the clarity and beauty of staining and varnishing separately.

Penetrating sealer — Sinks into the wood and hardens at the surface to seal the floor against dirt, moisture and stains. Easy to apply. When it wears in one place, more sealer applied to the spot will blend into rest of finish. Should be waxed regularly to prevent premature wear.

Penetrating wax — Somewhat similar to penetrating sealer, except that it also leaves slight surface coating.

Synthetic finish, usually plastic — Generally more expensive than most other finishes, but produces hard, tough, long - wearing surfaces that usually require no waxing.

Paint — Where the grain pattern is indifferent or the wood scarred or discolored, floor enamel is the usual prescription.

# Bringing Up A Family

By GARRY C. MEYERS

## *Don't Get Silly To Make Child Eat*

"Now take a drink for Daddy. Fine! Another drink for Mommy! Now one for Grandma! Wonderful! Now a great big one for Uncle Tint!" In this way, 2 - year-old Tony may have been induced to drink a tenth of a cup of milk during a period of 15 minutes. But at the next meal, this trick may lose its force. Besides, the supply of names may soon be exhausted.

By Garry Meyers

Or if Tony has closed his mouth against another morsel of carrots, a few antics by Father, like throwing a pillow or hoppoing on one foot, may cause the youngster to relax his jaw while Mother slips another spoonful into Tony's mouth.

—:—

**ONE MOTHER** writes that her child, 2, will actually feed himself some food while viewing TV, but adds that it takes him about an hour to do so "and then he hasn't eaten much."

Parents who hit on such silly ways to induce the baby or tot to eat a bit more, or allow a bit more food to be pushed into them, have tried to apply the usually desirable rule: make attractive and pleasant what you want the child to do. But in doing so, they develop all sorts of nuisances.

The purpose in cultivating an appetite in the child is to help him grow and to gain normal pleasure from eating. The more diversions we employ, the more we defeat this purpose.

Wiser parents avoid such tricks and devices and assume that the child, like a horse, will eat when he is hungry. They will let him feed himself, even with his bare hands, as soon as he wishes to do so, when he won't put into his own mouth what he doesn't want.

—:—

**THEY WILL** offer him very, very small helpings, only one food at a time. They may, when he strongly refuses an essential food, withhold others until he becomes so hungry that he will choose some of what he had refused.

If, for example, the child 3 or 4 refuses milk, they will place first before him at a meal a cup or glass containing one or two spoonfuls of milk, letting him have no other food at this meal unless he chooses to drink the milk. If they are trying to get him to eat peas, they will place just one or two peas on his plate first.

If it's string beans, it will be a piece a quarter or half an inch long. Then if he makes such a hurdle, he will be given other foods he prefers. But the food he has refused will be kept to a very, very small portion for many meals. Then, when he begins to beg for more of this food, you'll be stingy.

Of course you can substitute foods cooked with milk for the milk alone. But he will hardly get enough milk as he grows older unless he learns to enjoy drinking milk.

My bulletin "Eating Problems" may be had by sending a self - address, stamped envelope to me in care of this newspaper.

# *Atomic Tests Rushed With Deadline Due*

ATOMIC TEST SITE, Nev. (AP) —The Atomic Energy Commission readied a small nuclear device for firing today and rushed plans for three more blasts before the Friday test ban deadline set by President Eisenhower.

Two powerful explosions rocked the desert Sunday, the 13th and 14th in the current series and the 10th in two weeks of unprecedented activity at the Nevada test site.

The shot scheduled for today has a force of less than one kiloton, which means less than 1,000 tons of TNT. It will be fired from a 50-foot steel tower.

Blasts in tunnels in the side of a mesa are scheduled for Tuesday and Wednesday. Tuesday's below surface blast will be less than half of nominal. A nominal blast has the force of 20 kilotons, about the same as those which shattered Hiroshima and Nagasaki in World War II.

Also scheduled for Tuesday is a sub-kiloton shot from a 50-foot tower.

Wednesday's underground blast, dubbed Blanca, will be a big one, packing 20 kilotons of power.

Sunday's two blasts packed the punch of about 10,000 tons of TNT each.

## Merrill Hall Talks At Masonic Lodge Father-Son Fete

Merrill Hall, East Liverpool High School athletic director, was guest speaker at the annual father-son banquet of East Liverpool Masonic Lodge 681 Saturday night in the Masonic Temple. Approximately 259 attended.

Hall spoke on "How To Be a Good Father and a Good Son." He was introduced by Robert Talkington, worshipful master.

The invocation was given by John Pommert, minister of the Second Christian Church.

Following the banquet, an act by Thomas Bryan Georgetown, magician, was featured.

Accordion selections were played by Eli Sainovich of Ohio Township, with his wife as vocal soloist. Sainovich also presented four of his students, who played several selections.

Chairman of the event was Robert Mattern. Frank Baldwin was in charge of entertainment. Vernon Lovett was in charge of reservations.

## New YWCA Dedicated At Ceremony In Salem

SALEM—The Young Womens Christian Association of Salem was dedicated Sunday during ceremonies and open house attended by 450.

Mrs. Frank Brian, YWCA president, introduced the guests.

Wilbert Hanna, chairman of the building committee, assisted by George Rogers and Beman Ludwig, presented certificates of merit to 180 laborers, 29 suppliers and 15 business agents who gave labor money, materials and service.

Following dedication and the benediction, guests toured the building and were served refreshments. Members of the Board of Directors served as hostesses.

## Rare Gathering

WATERTON LAKES, Alta. (AP)—Bighorn sheep in Pass Creek valley in Waterton Lakes National Park, normally timid animals, were seen gathered at an old salt lick alongside a highway. The sheep usually stay high in the mountains.

Oxygen is the most widely distributed of all elements. It comprises almost one - half of all the outer layer of the earth and its atmosphere.

## Surplus Snake Bite Kits Being Peddled

TUCSON, Ariz. (AP)—If you're worried about snake bite, see Tucson City Purchasing Agent William Bray. He is peddling surplus snake bite kits.

The city has had the kits in stock for the last 10 years with little demand. Bray has seven left and he'll sell to the highest bidder. The kits originally were bought to aid city workers bitten by snakes while sweeping the streets.

## No Argument

STERLING, Colo. (AP) — Robert Roberts won't be criticizing his wife's driving in the future. Mrs. Roberts, driving the family car, collided with another car in the alley near the Roberts home. Roberts was miffed about it all until he, too, collided with a car at exactly the same spot two days later.

## Infant Washed Out After Drinking Ink

LOCKPORT, N. Y. — When a 23-month-old youngster drank an entire bottle of ink, attendants at Memorial Hospital took care of the problem with a method suggested by the label.

It said on the bottle it was washable ink, and they treated the little boy by washing out his stomach.

## Contented Husband Praises Wife In Ad

DANVILLE, Ind. (AP)—Montelle L. Davis inserted this advertisement in the classified section of the Danville Republican on his 20th wedding anniversary:

"I will be responsible for all the obligations of my wife, Vivian Davis. During 20 years of marriage she has given me great happiness, comfort, counsel and two fine children. As we begin our 21st year, I am proud to assume any and all her wishes."

The first woman ever to run for U. S. presidency was Mrs. Victoria Claflin Woodhull, who was nominated by the Equal Rights Party three times. Belva Lockwood also received the same party's nomination twice.

## GOP Legislator Dies

PITTSFIELD, Ill. (AP) — Sid Simpson, 64, Republican representative in Congress from Illinois' 20th District for 16 years, died Sunday, apparently of a heart attack. Simpson, who was a candidate for re-election in the Nov. 4 election, was born in Carrollton, Ill.

# Mishap Hurts Mary McNicol

## Retired City Worker Hit At 5th, Jefferson

A retired city water office employe was injured Saturday afternoon when struck by a car while crossing a street near her home, police reported.

Miss Mary McNicol, 228 W. 5th St., was treated at City Hospital for contusions of the leg after the mishap at 12:25 p. m. at W. 5th and Jefferson Sts.

James E. Lovejoy, 19, of 210 Jefferson St. told police he had stopped for the traffic signal and then started to make a left turn and failed to see Miss McNicol.

The pedestrian injury was one of four accidents reported over the weekend, police said.

An accident at 1:04 a. m. Sunday on Orchard Grove Ave. damaged a car driven by John Allen Horger, 17, 1716 Etruria St., and a parked car owned by James W. Walker, 909 Orchard Grove Ave., police said.

Horger told police he lost control while turning east onto Orchard Grove from Jennings Ave. The bumper, left front fender and hood of the Horger car was damaged and there was extensive damage to the left side, grill and bumper, police said.

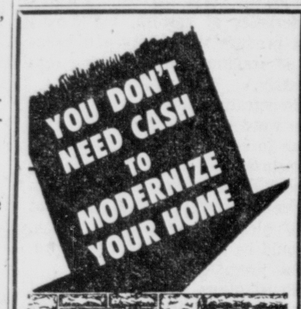

A crash at 8:57 p. m. Saturday in W. Center Ln. damaged an auto driven by Glenn F. Tice, 138 W. Center Ln., and a parked car of Charles Aikens, 422 Morton St., police said. The right side of the Tice car and the left rear fender and taillight of the Aikens car were damaged. officers reported.

The bumper and fender of a foreign sedan driven by James W. VanSickle, 35, of Canton was damaged at 10:03 a. m. Saturday at Dresden Ave. and Smith St. when struck in the rear by a car operated by Robert McMillen, 30, of Rogers R. D. 1, police reported.

## Ware And Stand Taken In Burglary Of Home

Decorated pottery, antique china, flower holders and a what - not stand were stolen from her home Wednesday or Thursday, Mrs. Garnett Dally, 236 W. 5th St., reported to police Saturday.

The thief took the what-not stand with four glass shelves, a Dutch boy and girl flower holder, numerous pieces of pottery and antique china and two bronze flower holders, Mrs. Dally said.

# Cited Motorist Waits Hearing

## 2 Fined, 3 Forfeit In Wellsville Court

A Wellsville driver was being held in jail today awaiting a hearing before Mayor William J. Shoub of Wellsville on a charge of drunken driving. Two other motorists were fined and three forfeited bonds in the mayor's court over the weekend.

William Holliday of Washington Ave. was arrested Sunday night at 10:30 after wrecking his car on Lisbon St. when he struck railroad ties and lost control, Wellsville police said.

Charles Gallagher of Wells Hollow Rd., Wellsville, was fined $50 Saturday on a charge of failure to stop in the assured clear distance.

Gallagher was arrested Saturday at 11:15 a. m. after his car struck the rear of another driven by Forrest Heaton, 1621 Riverside Ave., Wellsville, at 11th and Main Sts., police said. Heaton had stopped for the traffic light.

Carl Mays of East Liverpool R. D. 2 was fined $10 for driving a car without a muffler and $50 and costs for driving after revocation of his license. He was arrested by the State Highway Patrol.

Frank R. McKenzie, 806 Daisy Ln., East Liverpool, forfeited a $25 bond when he failed to appear Saturday on a charge of reckless operation. He was cited a week ago, police said.

Edward Phillips of Warren forfeited $10 for reckless operation and Archie Collins of Euclid forfeited $15 for speeding. Both were cited by the patrol.

## Grandstand Burns After Firemen Leave

CALDWELL, Ohio (AP) — Noble County's fairground here was crowded on two consecutive Sundays by firemen from throughout southeast Ohio, in for special training.

Shortly after they all departed, the grandstand burned—the day before the fair opened.

# Decorating Child's Room? Then These Tips Will Help

By VIVIAN BROWN
AP Newsfeatures Writer

Baby's nursery can be a joy to him, if it is decorated with things he loves and understands.

Ambitious mothers may go all out with footballs, airplanes and baseball caps strung around nursery walls, hardly the decor for a 6-month-old boy, who is just about getting hep to form and color.

Before you put positive decor into a small child's room, study the things that attract him.

It may be small colorful toys, particularly red ones. As he grows, objects will take on more meaning. Then Dad can muster up his do-it-yourself ingenuity. He may suspend a mobile of airplanes from the ceiling, carving them out of cardboard or making them from little model kits right to scale to be appreciated at some future day by his offspring. A mobile of stars or colorful flowers will please a little girl.

A happy clown or handsome spotted dog may be made from wood and painted to serve as a clothes tree with hands or paws acting as pegs for clothes.

Wood cutouts of animals or nursery characters may be installed around a shelf to please a younger child.

Dad will have fun making these and edging the shelf with them. They will serve also to keep toys, books and records from falling off the shelf.

There are babyland characters made of vinyl that may be used to decorate a nursery wall, baby's crib, play-pen or high chair.

Or dress up a plain lampshade with these picture book cut-outs that include whimsical cow, rabbit, bear, goose and kitten. They'll be familiar to baby as they are similar to those that appear on cereal boxes.

There are many ways of dressing up a nursery. Little girls will love tiny cups used as shade pulls, strings of colorful beads as light pulls, appliques of clowns and animals on window shades.

If you want floor brighteners, decals may be pasted to them. Paint the floor a gay shade, paste the decals down, then shellac over them to protect the decals for a while. Floor boards painted in colorful stripes will intrigue the tiniest toddler.

Blocks made of large plywood squares in different sizes make interesting nursery accessories. These may be used to sit on, to stand on or as little tables. One may be made with a cover so they may serve the useful purpose of holding the myraid of little push - pull toys that children assemble in heaps all over a room.

# Plumbing Parts Need Care While House Is Being Built

CHICAGO — The importance of proper protection for the surface of plumbing fixtures while a house is under construction is emphasized by the Plumbing - Heating-Cooling Information Bureau.

While employes of the plumbing contractor are familiar with the care which plumbing fixtures should receive during unloading, handling and installation, employes of other contractors engaged in construction often are not so well informed.

Consequently the bathtub is often as a catchall for old paper, wood, tools, etc. Regardless of how carefully the fixture is covered, heavy objects may mar or damage the finish. Sour paste, wet paper, wet excelsior, or wet burlap will have a tendency to stain the enameled surface.

No abuse is so damaging as is cleaning acid used by tile setters or other craftsmen. It is usually a costly damage requiring in many cases actual replacement of fixtures already tiled in. Naturally the manufacturer cannot accept responsibility for damage to fixtures by others or the burden of replacing fixtures so damaged.

It is suggested that the following three paragraphs be included in specifications by architects and builders:

The plumbing contractor shall provide protection for the surfaces of all plumbing fixtures from damage before, during and after the installation and until his work is completed and accepted.

Contractors and sub - contractors shall not use plumbing fixtures for the storage of tools or materials, nor as a support or platform.

# *Drunk Driving Charges Hold 2 District Men*

Two motorists were fined $300 and costs each and sentenced to 10 days in jail today in Municipal Court after pleading guilty to charges of driving while under the influence of liquor.

Judge George L. Brokaw handed the fines and jail terms to Bernie Elkins Jr., 854 Fairview St., and Clifford Barnhart of Pughtown.

Elkins also drew a fine of $25 and costs for driving without a license. Barnhart's right to drive in Ohio was suspended for six months.

Elkins was arrested by police Friday night after his auto hit two other cars and a grocery store on Pennsylvania Ave. Barnhart was cited at 4 a. m. Sunday at E. 6th St. and St. Clair Ave.

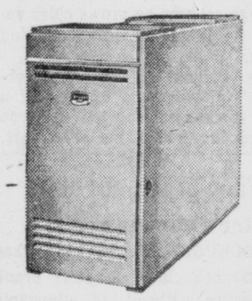

Sylvania Harris of Toronto was fined $50 and costs by Judge Brokaw for operating an unsafe vehicle, but $40 of the fine was suspended provided Harris repairs his truck.

He was cited at 9 a. m. today on Routes 7 and 30 by the State Highway Patrol, which said he had defective turn signals, stop light and taillight, no clearance lights and no reflectors. The truck also had one flat tire and two smooth tires, the patrol said, and the front license plate was wired in place.

Carl R. Martin of Calcutta forfeited an $11 bond on a State Highway charge of ignoring a stop sign on Route 30. He was cited Friday.

Douglas Turnbull of R. D. 1 forfeited a $16 bond on a charge of failing to stop within the assured clear distance. He was cited Aug. 27 by the patrol.

# Steel To Roll On Car Wheels

### Production Slated To Take An Upturn

CLEVELAND (AP) — Increased activity in the automotive industry will boost steel production in the next few weeks, Steel Magazine said today.

Steelmaking operations last week gained one point to 75 per cent of rated capacity, a new high for the year. Output totaled 2,024,000 net tons compared with 2,052,00 tons in the corresponding week of last year. Steel predicts that mills will reach a peak operating rate of 85 per cent of capacity during the present quarter.

The metalworking weekly said the rise in steel production would result from automakers building up their inventories to take care of their needs caused by double shift operations and overtime work. Steelmakers probably will get more orders, but not necessarily bigger ones, it added.

Steel consumers are starting to look ahead with the mills extending delivery promises, the magazine said.

"Cold-rolled steel buyers are giving suppliers 45 days' notice of requirements instead of 30," it explained. "They know that steel is going to get tighter as automakers, appliance manufacturers and other users come into the market for bigger tonnages."

An increase in steel imports this year is expected to be extended in 1959, with the foreign producers cashing in on low costs, the publication said. It estimated imports this year would total 1,235,000 net tons compared with 1,153,702 tons in 1957.

Steel's price composite on prime grade of steelmaking scrap was unchanged last week at $42.33 a gross ton.

## Report Due Tuesday On Cruiser Crash Quiz

A report from Police Chief Americo Radeschi on his findings in investigating a crash last Tuesday that damaged a police cruiser and a private car is expected Tuesday, Safety-Service Director Dan Maggianetti said today.

Although on vacation, Chief Radeschi conducted the quiz into the crash, listening to statements from Patrolman Howard Bosworth, cruiser operator, and his partner, Patrolman Norman Blatchford. The chief returned to duty today.

The cruiser collided with the rear of a car driven by Mrs. Jean A. Russell, 1151 Ohio Ave., at Pennsylvania and Virginia Aves.

## Chester Girl Scout Tea Attracts 200 At Church

About 200 Chester area Brownies, Girl Scouts and guests attended the annual Juliette Low tea Sunday afternoon at the Durbin Memorial Center of the First Methodist Church.

Pennies from birthday bags of the girls were presented for the Juliette Low fund, used for restoring and maintaining the Low Home at Savannah, Ga.

The program included choral readings, songs and flannelgraph presentations. The Rev. Howard Bright of the host church gave the welcome address.

## Typing Class To Start In Adult Night School

Because of a lack of sufficient interest, only one Adult Night School course will begin tonight, Supt. Ralph W. Betts said today.

A typing class will begin at 7:30 p. m. in Room 111 in the high school building, the superintendent said.

He reported the highest enrollment in any other course was 7 and the Board of Education, which sponsors the program, fixed 10 as the minimum needed to start a class.

In 1847, the first Ohio chapter of Phi Beta Kappa was established at Western Reserve Academy, Hudson, Ohio. Its chapter was the first in the United States to designate scholarship as a basis of Phi Beta Kappa membership.

# Keep In Trim

By IDA JEAN KAIN

### *Dieters Should 'Set' Selves For Slimming*

Successful dieting is a mental achievement. Agreed? Then you will readily see the wisdom of using psychology to take the resistance out of calorie curbing.

Ida Jean Kain

You are familiar with the expression "set in your ways." No doubt you have been conditioned to regard this in a negative way as implying stubbornness. Happily you can turn "set" to slimming advantage and use this natural tendency to keep on the slimming course.

How do you "set" your mind to slimming? It's a combination of strong desire and lively interest, coupled with suggesting what you want to your own mind. William James said that the greatest discovery of the nineteenth century was the discovery of the subconscious part of the mind.

—:—

THE MIND IS not divided into parts, but there are two levels. You make decisions with the conscious part of the mind. But the deep inner mind is influenced by the attitudes or "sets" you hold.

Now try some mental gymnastics. Perhaps you never expected to get much pleasure out of dieting to reduce. Well, start expecting to enjoy eating for shapely weight. Regard this in terms of achieving what you strongly desire. The subconscious is always on the alert to carry out your orders. So, through suggestions, give these orders!

Right now think to yourself, "I'll give this plan a wholehearted try. It will be wonderful to slim down and feel alive. What I really want is to be willowy and slim, so I'll like eating the scientific way."

Friends, this system works almost like magic. There is no hocus-pocus about it. The mind acts out your dominant thought. So think, talk and act the way you want to be. It is enormously helpful to keep your goal vividly in mind and to picture what you want. Stop to consider and you realize that you think in terms of pictures. Turn this to slimming advantage by visualizing yourself slimming down.

DON'T GO AT it with grim determination. Take a gay attitude toward your adventure in slimming. It's stimulating to put your mind to work to make life more exciting.

The day you wake up to the idea that calorie curbing can make life more interesting is a great day in your life. Set your mind to slimming, act on it, expect to succeed—and you will.

Send a long, stamped, self-addressed envelope for "Hunger Control Diet." Address your request to Ida Jean Kain, in care of this newspaper. Post card requests can not be answered.

# *Architect Has Solution To Zoning Regulations*

AP Newsfeatures

Hardly a week goes by that you don't read about some battle within a town or village over zoning regulations.

Generally, the struggle begins when an attempt is made to change some part of a residential area into a section wherein the construction of commercial property is permitted.

The opponents of such a change maintain that it eventually would lower the value of the homes in the vicinity. The supporters argue that many such zoning regulations have long since become outmoded and tend, by their restrictions, to smother the growth of the town and keep taxes at a high rate.

At least one authority, architect Lester W. Smith of Stamford, Conn., believes that many of the objections to commercial structures would disappear if more attention were paid to art in architecture.

He's convinced that an artistically-treated building which makes imaginative use of space and materials provides both conscious and unconscious pleasure those who work in it and those who see it. Such a building, he further believes, will not become rapidly obsolescent.

He thinks the commercial success and popularity of Rockefeller Center in New York are due in part to the ambitious effort made in the 1930s to blend art and architecture through the services of such artists as Isamu Noguchi, Jose Luis Sert, Stuart Davis and many others.

Plans that Smith's own firm developed for a building in Stamford helped persuade local zoning officials that the commercial structure was sufficiently attractive to be placed in a residential suburban area.

# O'Neill Blasts Back At Hoffa

### Governor Replies To Union Leader

CLEVELAND (AP) — Gov. C. William O'Neill, campaigning for re-election, has jumped on a remark made by Teamsters Union President James R. Hoffa that if Ohio labor unions are corrupt it is the governor's fault.

Hoffa, in Cleveland Saturday night to attend a dinner honoring a Bakery Drivers Union official, made the comment in reply to a newsman's question.

In a five-minute television speech here Sunday night, O'Neill struck back. He said Hoffa is the first of "many corrupt labor bosses" who will come to Ohio to attempt to defeat the proposed amendment to regulate union-employer contracts.

O'Neill asserted that Hoffa said, "The Teamsters Union is spending $300,000 in states where the right-to-work (proposal) is up for a vote to defeat it."

The Republican governor told his TV audience:

"He (Hoffa) was in Ohio because he was afraid . . . that the right-to-work law would put into the hands of the working man a strong weapon against corruption.

"Why did he attack me? Because I have led the fight for this amendment. He knows that as long as I occupy the governor's chair, neither Jimmy Hoffa nor other corrupt bosses will be able to get a foothold to dominate the working people."

## School Bus Drivers' Workshop Scheduled

LISBON — Approximately 130 county, city and exempted village school bus drivers will attend a school bus drivers' workshop Tuesday at 8 p. m. at the Fairfield High School, according to Supt. James L. McBride.

C. A. Baughman of Youngstown, past president of the Youngstown Area National Safety Council and in charge of safety training for Youngstown Transit Co. bus drivers, will speak.

A report on bus inspection will be given by State Patrolman M. R. Darrah and a film, "Highway of Agony," will be shown by Cpl. J. F. Miller.

A school bus safety project will be given by Mrs. Eunice Russell's third grade at Fairfield School.

Refreshments will be served.

## 80 Awaited At Hancock Conservation Banquet

NEW CUMBERLAND — Eighty have made reservations for the annual conservation banquet of the Hancock County Conservation Committee Wednesday night at 6:30 at Brice Memorial Hall, Oliver Johnson, county agricultural agent, reported today.

Featuring this year's banquet program will be presentation of conservation awards and election of a seven-member committee. Glen Montgomery, county sanitarian, will be toastmaster.

# Bonds Attract Few Takers

## Interest Charge Boost Won't Help

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—The highest grade corporate bonds are yielding their owners more income if bought at today's prices than most of the prominent common stocks. But the bonds, especially governments, are finding few takers even at the present greatly reduced prices.

And the latest action of the Federal Reserve banks that raised their interest charges when lending to member banks isn't aimed at disturbing this arrangement.

The Federal Reserve says it's merely acting to bring its discount rate closer in line to the interest rates commanded by other forms of short term lending.

But the general rise in interest charges was set off by the Federal Reserve in the first place when it raised its rate last summer and when it took other measures to show it thought tighter money was needed to hold off another turn of the inflation screw.

Bonds are considered a safer form of investment, but investors seem to prefer the more risky common stocks even when yielding less.

The accent isn't on income just now. It's on the expectation of capital gains if stock prices rise further.

A similar situation arose in 1928 and 1929. Speculators preferred the chance of increases in prices of common stocks to the safety of bonds. The yield on top bonds went to around 5 per cent and the average return on leading stocks dropped to 3 per cent.

Now the best bonds yield a little better than 4 per cent and stocks average out at around 3½ per cent.

This sort of psychology thrives when the economy is expanding, or when people think it is going to, or believe that continuing inflation will raise the prices of stocks along with everything else.

It is into this sort of atmosphere that the U.S. Treasury is stepping out again next month to raise another 3½ billion dollars of new or borrowed money.

Because of the temper of the bond market, most Wall Street observers expect the treasury to stay close to the pattern of its last borrowing a few weeks back, when it tapped only the short term market, which to a large extent meant the banks.

The Federal Reserve is tidying up its house to be set to help the banks find the money the treasury needs. All hands seem to have their fingers crossed, hoping that the new borrowing won't fan any inflationary fires.

## 6 Wheeling Area Men Called In Racket Probe

PITTSBURGH (AP)—Six men from the Wheeling area have been called to testify today before a Federal grand jury investigating alleged racket activity in southwestern Pennsylvania.

Several persons from Westmoreland County, Pa., also have been subpenaed, said U. S. Atty. Hubert I. Teitelbaum. He did not disclose any names.

The probe began last week ostensibly to look into reports that Pittsburgh police officials accepted bribes from racketeers. It widened in scope as witnesses from other areas were called in to give secret testimony.

## Presbyterian Church Schedules Book Sale

A special item, a marble-top table, its age unknown, will be featured at the third annual Presbyterian Book Sale, which will be combined with an "Attic Sale" Nov. 4-8 in the Zange and Bence Building on Washington St.

Items to be featured include antiques, linens, records, new aprons, knitted goods and home-made jams and jellies. On the closing date, an all-day bake sale will be featured.

Mrs. M. Rudolph Miller and Mrs. James Fortiner are co-chairmen, assisted by Mrs. Dale Thompson, Mrs. John A. Fraser, Mrs. Neil Shope, Mrs. Reid Calcott and Mrs. Leland Pittenger.

# Daily Pattern

By ANNE ADAMS

Just one yard 35-inch fabric is all you need for each of these pretty serving aprons. They're budget - wise beauties, sew - easy, too.

Printed Pattern 4859 includes three styles all jiffy - cut in one piece. Misses' Medium Size only. Each: one yard 35-inch.

Send 35 cents in coins for this pattern to Anne Adams, in care of the East Liverpool Review, 49 Pattern Dept., 243 W. 17th St., New York 11, N. Y. Print plainly your name, address, size and the style number.

## Youth Shot To Death As Prank Backfires

MULDROW, Okla. (AP) — A prank turned into a tragedy Sunday when a youth was shot to death.

The victim was Thomas Darrell Wasson, 19, of nearby Roland.

Sheriff E. W. Floyd said two Muldrow youths, Paul Laney and Jerry Duvall, took Wasson to a house on the pretext of introducing him to a girl.

As they approached, another youth stormed out the front door, represented himself as the girl's father, and started shooting.

Laney and Duvall said the prank had worked several times before with the frightened victim running away.

But the sheriff said Donald Howell, 20, of Muldrow, didn't aim high enough and Wasson was killed.

A coroner's jury ruled the shooting was accidental.

## Teen-agers Pack Hall As Van Cliburn Plays

SCARSDALE, N.Y. (AP) — The teen-agers began showing up as early as 9 a.m. By afternoon, when the music started, seven extra policemen had been called to handle the crowd of some 1,800.

Only 1,350 were admitted to the high school auditorium. The others stood outside in the rain and listened.

The performer who packed 'em in wasn't Elvis Presley. Nor Pat Boone. It was Van Cliburn.

The teen-aged audience heard the 23-year-old Texas pianist rehearse a Schumann concerto with the Orchestral Society of Westchester.

The afternoon spectators, from 12 to 18, were admitted free.

## Ohio Plant Resumes

SIDNEY, Ohio (AP)—Work will resume today at the Mack Truck plant at Sidney. The Sidney plant and four others around the country were struck last week by the United Auto Workers Union in a contract dispute. The union and company negotiators announced an agreement Sunday night on most major economic points in the new contract but will resume meetings today to iron out some minor issues. No details of the agreement were disclosed.

# Mishaps Hurt Woman, Youth

## Hospital Also Treats 6 More On Weekend

A Wellsville youth hurt while playing football and a Shadyside Ave. woman injured in a fall from a porch were admitted over the weekend to City Hospital, where six youngsters and adults were treated after separate mishaps.

Alvin Thompson, 14, son of Mr. and Mrs. Frank Thompson of Main St., Wellsville, suffered a fractured leg while playing football at Wellsville Saturday. He is in "good" condition today.

Mrs. Dora Barker of Shadyside Ave. is in "good" condition with back and leg injuries received Saturday night when she fell about four feet from a porch while leaning against a railing.

Also hurt in a fall from a porch was Rita Morrison, 11, daughter of Mr. and Mrs. William Morrison of Ohio Ave., who was treated Sunday night for a fracture of the left ankle.

Richard Leigh, 11, son of Mr. and Mrs. Harold Leigh of Riverview St., was treated for an injury of the right elbow received while playing football for St. Aloysius team at Midland yesterday afternoon.

Gladys Rhodes of W. 7th St., employe of the Edwin M. Knowles China Co., was treated Sunday for a cut of the arm received in a fall at work.

William LeRoy Payne, 19, of 730 Leonard St. suffered an injury of the right ankle while playing football yesterday.

Shirley Gilkes of Crestview Dr. suffered burns of both hands while cooking at home yesterday morning.

Donald Wilson, 29, of Monroe St. was treated Saturday for a laceration of the finger received while cutting tin.

## 45 Attend Men's Rally At Carrollton Church

Forty-five attended the fall rally held Sunday at Carrollton by the Steubenville Council of United Presbyterian Men. Fourteen churches were represented.

Carl Mansfield, an elder of the Longs Run Presbyterian Church and Presbytery moderator, was in charge of devotions.

Council speakers included Dr. Ray George of Carrollton, council president; Harold Wiggins of Carrollton, council secretary; Mansfield, and Charles Dougherty of Steubenville. Synod speakers were Atty. Don Raley of Canton and Robert Jamison of Wooster.

The Longs Run Male Quartet under the direction of William Thomas sang several selections. Lunch was served. Local churches represented were the Wellsville First Presbyterian, Longs Run and the Yellow Creek Presbyterian.

## 40,000 Stage Near Riot In Bid To Visit Carrier

CAPETOWN, South Africa (AP) —A goodwill visit by the U.S. aircraft carrier Essex turned into a near-riot today as some 40,000 persons shoved and pushed to tour the ship.

Police borrowed a fire hose from the ship and turned it on the crowd when it threatened to spill over into the water. Many women became hysterical at the drenching.

Finally the ship was closed to the public.

## Boy Sets Room Afire

CLEVELAND (AP) — Three year-old Scott Lally had this news for his father Sunday: "Daddy, I just set the bedroom on fire." Thomas J. Lally rushed into the front bedroom of the 1½ - floor frame home and found the room burning. Damage was estimated at $1,200. Scott had used his father's cigarette lighter.

# *Awards Given Scouts During Worship Rites*

Two Boy Scouts were presented the God and Country award—one of the highest citations in scouting—during morning worship Sunday at the Wellsville First Presbyterian Church.

Receiving the award were George Prince, son of Mr. and Mrs. Howard Prince of Kountz Ave., Wellsville, and Michael House, son of Mrs. Kathryn House of Columbiana, formerly of Wellsville.

The Rev. Philip Fletcher, pastor, made the presentation. Both boys are members of the church.

The boys are the fourth and fifth county recipients of the valued award. The other high award in scouting is that of Eagle Scout.

The honor always is presented through the individual youth's local church, where he must undergo a full year of training established by the National Protestant Committee on Scouting.

Prince is a member of Troop 100 of Lake Marwin and House belongs to Troop 19 of Wellsville.

Members of both troops attended, along with officials of the Columbiana Boy Scout Council.

The entire service was dedicated to youth and the church's newly formed unit, Troop 14 with Howard Prince as scoutmaster, was recognized.

## Essay Contest Open To County Boy Scouts

Some Boy Scout with a flair for writing a convincing 100-word essay will win a fully-paid roundtrip air flight and two weeks' visit to Switzerland next July, Robert F. Beck, executive of the Columbiana Boy Scout Council, said.

The contest is sponsored by the American Society for Friendship with Switzerland and Boys' Life, the monthly scout magazine.

In his essay of 100 words or less on "Why I Would Like to Visit Switzerland as a Scout," the winner will tell how he proposes to build better understanding between young people of Switzerland and the United States.

Beck said entries must be sent to Boys' Life Switzerland contest, New Brunswick, N. J., postmarked not later than midnight Nov. 15.

## Theodore Roosevelt's Anniversary Observed

NEW YORK (AP) — One hundred years ago today, Theodore Roosevelt drew the first breath of a life destined for greatness.

The 100th anniversary of his birth will be commemorated at civic observances throughout the country as a year-long centennial celebration reaches its climax.

The celebration began a year ago under direction of the Theodore Roosevelt Centennial Commission, which was established by act of Congress.

## AME Backs O'Neill

YOUNGSTOWN, Ohio (AP)—The North Ohio Conference of African Methodist Episcopal Church endorsed Gov. C. William O'Neill for re-election at its closing session here Sunday. The governor was scheduled to speak at the convention but was unable to fly here in his personal plane because of bad weather.

# DiSalle Urges Planning Unit

## Would Keep Eye On Economy, Industry

CLEVELAND (AP)—Michael V. DiSalle, Democratic candidate for governor, has proposed creation of a planning unit at the cabinet level to keep a watch on Ohio's economy and industrial development.

The former Toledo mayor spoke to a young people's congregation in Fairmont Temple in suburban Beachwood Sunday night.

Pointing out that Ohio is one of the few states with no such centralized agency, DiSalle said the economic planning unit was vital to the state's growing work force.

DiSalle also complained there was an alarming lack of knowledge about both issues and candidates in this election.

"But it is not as individuals that the candidates are important," he said. "Rather, it is their part in the system of government."

"There is no Republican or Democratic way to do this job," the former federal price administrator said. He explained that after the election the man, Democrat or Republican, who sits in the governor's chair must be free to administer solutions to problems of highways, mental health and other issues affecting all Ohioans, regardless of political beliefs.

The first job, DiSalle said, is an analysis of state needs, then an inventory of available resources, and then decisions on how best to meet and anticipate these needs.

## Store Founder Dies

PHILADELPHIA (AP) — Samuel Robinson, 93, a founder and first president of the American Stores Co., died Sunday. He and the late Robert H. Crawford founded the food chain in 1891. He retired as president in 1937.

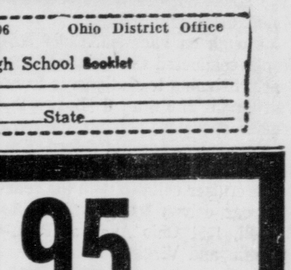

## Fog Delays First Run By Giant Jet Clipper

PARIS (AP) — Pan American's Clipper America today inaugurated jet passenger service between New York and Paris, but fog and unfavorable weather delayed the arrival of the first flight 95 minutes.

The big airliner, with 111 passengers and a crew of 12 aboard, made the flight from New York in 8 hours 20 minutes.

The airline plans on a regular crossing time of 7 hours 5 minutes. Piston-driven planes take about 11 hours.

# He's Whistling In The Dark, Democrats Declare Of Nixon

MINNEAPOLIS (AP) — Vice President Nixon's claim that there has been a dramatic upsurge in Republican strength in the congressional campaign drew a Democratic challenge today.

Rep. Eugene McCarthy, contesting GOP Sen. Edward J. Thye, said Nixon was whistling in the dark with a statement Sunday night that there had been a striking shift in voter opinion in the last 10 days.

"If this has happened, no one but Nixon has been able to discern it," McCarthy said in an interview. "I have been campaigning four months and there is nothing to indicate a change in the Democratic tide."

Minnesota is regarded in the Republican camp as one of the states where the GOP may be able to stem the Democratic current that seems likely to increase the latter party's hold on both houses of Congress.

Local observers count Democratic Gov. Orville Freeman as a sure bet for re-election over his Republican opponent, George Mackinnon.

Nixon said anybody who tries to predict the outcome of this and other races across the nation at this point is likely to "find himself as confused as a beginner with a hula hoop." He said polls which predict a Democratic victory reflect conditions of 10 days ago, not now.

"It is in these last 10 days," Nixon said, "that I personally have witnessed the most striking shift of voter opinion that I have ever seen in any political campaign."

With this in mind, McCarthy said he wondered if Nixon got his information on Minnesota in South Dakota and Nebraska — the two states where the vice president campaigned Saturday.

## Youth, 15, Didn't Know Own Strength

LINCOLN, Neb. (AP)—Even a water glass can be dangerous.

James L. Skidmore, 15, of Beatrice, Neb., was playing cards at the home of a friend in Lincoln.

Holding a water glass in his hand, he gave it a squeeze.

Doctors took 16 stitches to close the cut in Skidmore's left wrist.

## Car Travel Game

NEW YORK (AP) — Car travel play problems for the younger set are neatly solved with a game which ends the problem of losing pieces ingeniously by attaching the playing pieces firmly to the board by cords. The spill - proof car travel game board represents a highway marked by varied obstacles which habitually delay motorists. The object of play is to be the first to drive from one end of the route to the other.

# Mine Accident Study Pending

## Funeral Rites Held For Trio Of Victims

The investigation into the deaths of three men who were crushed and suffocated in a small Shippingport mine Thursday still is pending, according to James J. Darroch of Aliquippa, Beaver County deputy coroner.

Dr. Thomas Todd, county coroner, was unavailable this morning to comment on a meeting of mine inspectors Friday with the mine's operator, John Call of Aliquippa R. D.

Mine inspectors at the scene were Sam Cortis of Canonsburg, state mine inspector for District 17, A. J. Nairn of Washington and John Risko of Grove City, federal mine inspectors.

The dead were Jackson Doyle Call, 18, of Shippingport, son of the mine operator, and Dale Haskiell, 21, of Pulaski Homes, near New Brighton, who were buried Sunday, and Frank D. Haskiell, 27, Dale's brother, of Newburg, W. Va., who was buried Saturday.

Frank's body first was taken to the Darroch Funeral Home in Aliquippa and later removed to the Kiger-Williams Funeral Home at Kingwood, W. Va. He is survived by his mother, Mrs. Mary Ellen Haskiell of Tunnelton, W. Va., and two sisters, Mrs. Mary Tusing of Elyria and Mrs. Lula Bell Martin of Tunnelton. He was buried Saturday at the Camp Grounds Cemetery at Tunnelton.

Cleveland, Ohio was named for one of its founders, Gen. Moses Cleaveland. Somewhere the "a" was dropped from the name.

# Scouters To Hold New Program To Draw Older Boys

LISBON — Following several years of research, the Boy Scouts of America launched this fall a new exploring program designed to be attractive to boys of high school age whether or not they ever have been members of the organization.

"To meet the needs the new exploring program," said Robert F. Beck, executive of the Columbiana Council, "will cover six areas of experiences."

"These cover citizenship experiences, including meeting responsibilities and a knowledge of the American heritage and understanding the fundamental freedoms of worship, speech, press and enterprise," he said. Explorers will learn of the vigilance needed to retain liberty and to appreciate America's responsibilities in world leadership."

The new program includes a personal fitness emphasis, social experiences, vocational exploration experiences and outdoor and service experiences, he said.

One feature of the new program will enable an explorer post to adopt a specialty if it desires, in addition to its regular program. The specialty makes possible the assistance of experts and the use of necessary equipment and facilities. It is expected that posts will adopt and change their specialties from time to time. In launching the new program, a total of 35 sample specialties are suggested.

An explorer post is sponsored by a church, synagogue, school, civic, or industrial group whose aims and purposes are in harmony with those of the Scout movement.

## Officer Still Scratches His Head On This One

GROTON, Conn. (AP)—State Policeman George Beckwith is still scratching his head on this one.

Beckwith arrested a speeder on the Connecticut Turnpike. The motorist complimented the officer for his fine handling of the case, saying, "his behavior was beyond reproach in the performance of his duty."

## Wrong Style

TOLEDO, Ohio (AP) — A thief broke into the automobile of Salesman William Lutz of Mount Vernon, Ohio, stole 30 sample dresses and suits, then discarded them in downtown alleys. The garments were the backless type used by undertakers in dressing corpses.

# Chester Turns Back Powhatan, 19-7, For Fourth Victory

## Panthers Win With Two TDs In Last Period

By ROB NIBLOCK

Coach Dom Amedeo's Chester Panthers drove for two last-period scores on a muddy field at Chester City Park to defeat an upset-minded Powhatan team, 19-7, Saturday afternoon before a "Dad's Day" crowd.

Fathers of the Chester gridders, seated along the sideline and introduced during halftime ceremonies, saw the Panthers battle back in the final period for their fourth victory in eight games. Chester has lost two and tied two.

—:—

**POWHATAN** scored on a pass play with only seconds remaining in the first half, added the extra point, and then clung to its slim one-point lead through the third quarter. But the Indians were unable to contain Chester power in the last period and dropped their fifth of six games this season.

Three Panther backs — Don Shaw, Ken Sayre and Bill Mayhew — scored a touchdown, with quarterback Dave Brookes adding the only Chester extra point.

Though the skies cleared just before game time, the effects of the morning rains made the going slow for both teams.

Powhatan was plagued by fumbles in the second half and receivers were unable to get under the long aerials thrown by its capable flinger, Clarence Burney.

Chester, relying mostly on a ground attack, had trouble springing its backs for a time on the sticky terrain.

—:—

**STATISTICALLY** and score-wise the teams were evenly matched in the first half, but a good second half showing by the Panthers gave them a nine to six first-down edge, and a total offense advantage of 247 yards to 171.

After several exchanges of punts in the first quarter, Chester broke into the scoring column at 4:23 by virtue of 49-yard off-tackle dash by halfback Mayhew. Chester had moved from its own 40 to the Powhatan 49 on an 11-yard dash by Sayre.

Some good ball toting by halfback Sam Zugaro and fullback Gary Yingling earned the Indians three first downs and kept Chester at bay in the second period. And with only moments remaining in that period, Powhatan took to the airways for a touchdown.

Two completed passes by Bernie earned Powhatan its first and only touchdown with just eight seconds remaining in the half. The first was a 15-yarder to Zugaro, which moved the ball from the Powhatan 36 to the Chester 49.

On the first down, another pass to Zugaro failed but Bernie then hit end Jim Zaner at about the Chester 20 and he carried over for the marker. Yingling added the extra point on a placement.

—:—

**THE THIRD** quarter, like the first, featured frequent punts and few first downs. But late in the period Chester began a scoring offensive at its own 34-yard line.

It appeared that the Panthers would be stopped again when Shaw fumbled after an eight-yard pickup to the Powhatan 47 but end Bob Shaffer saved it from Powhatan defenders in the secondary. On the next play, Chester caught the Indian defense napping on a double reverse and Mayhew scooted to the 23 before being hauled down.

Five plays later the Panthers regained the lead. The key play was a pitchout from Brookes to Shaw, who then completed a 17-yard pass to Ken Sayre at the Powhatan six. In three Chester tries, Sayre went over from the one on a delayed buck.

Pass interceptions by Sayre and Brookes and recovery of a Powhatan fumble by Shaffer kept the Indians from any fourth - period scoring threats.

Brookes intercepted a desperation Bernie heave from the 12 at about the Indians 45, returning it to the 26. Mayhew carried for four, Sayre got 12 yards and Shaw scored on a 10-yard sweep of his own right end with :46 remaining. Brookes added the extra point on a keeper.

**CHESTER—19**
Ends — Shaffer, Murray, Lyons, Eberhart.
Tackles — Steele, Chapko, Woods.
Guards — Linger, Pearl, Duke.
Center — Williams.
Backs — Brookes, Mayhew, Sayre, Shaw, Parsons.
**POWHATAN—7**
Ends — Saner, J. Yingling.
Tackles — Daniels, Cook, Mosconi.
Guards — Brown, Pavich, May, Susac, Kennedy.
Center — Schultz.
Backs — Burney, Zugaro, Tomilson, Horvath, G. Yingling, Wisor.

## *Fan Aims Punch At Halas In New Incident On Coast*

By JACK STEVENSON
Associated Press Sports Writer

SAN FRANCISCO (AP) — Papa Bear George Halas arouses animosity among West Coast pro football adherents on a week to week basis.

In the latest episode, an infuriated San Francisco 49er fan tossed a punch at him during halftime Sunday and landed in jail.

That made three straight Sundays that the 68-year-old owner and coach of the Chicago club has become an object of acrimony—first when the 49ers lost in Chicago, then when Los Angeles lost there and finally as the Bears won here.

Three weeks ago San Francisco Coach Frank Albert charged Halas influenced the officiating as the 49ers lost 28-6. Then an assistant Ram coach declared someone was tapping his telephone conversation to the Los Angeles bench.

And there were general complaints that Halas strayed out of the coaching confines between the 40-yard lines.

With that background the crowd of 59,441 in Kezar Stadium flexed its vocal muscles with mighty boos as Halas and his Bears took the field.

The noise became crescendo in the second quarter with the Bears leading 10-7. Referee Ron Gibbs signaled that 49er Leo Nomellini recovered a fumble by Chicago's Willie Galimore at the San Francisco 24.

Backfield Judge George Smith overruled, saying he had blown his whistle ending the play before the fumble. After a huddle, watched closely by a gesturing Halas at the sideline, the officials awarded the ball to Chicago.

For six minutes the howls of anguish drowned out even the public address system. At the intermission, Albert, Halas and some players conferred with officials at midfield.

As the session broke up, some fans swarmed onto the field and one swung at Halas. Albert pulled the fan away and assistant Chicago coaches threw punches at the assailant before police booked him on a charge of battery. He was identified as 33-year-old William Dunn of Palo Alto, Calif.

Booing continued throughout the game, won by the Bears 27-14 as they stayed in second place of the NFL Western Conference.

In the dressing rooms, 49er President Vic Morabito and Albert apologized to Halas who replied: "You can't help that."

Next stop for the Bears and Mr. Halas—the Memorial Coliseum in Los Angeles for a game with the Rams on Sunday.

### Japanese All-Stars Win Their First Game

SENDAI, Japan (AP) — The Japan All-Stars parlayed one hit, a wild pitch, two walks and two errors for a four-run seventh inning rally today and downed the touring St. Louis Cardinals 6-3.

It was the first loss for the Redbirds in three games of their 16 game tour of Japan.

Sad Sam Jones, The Cards' strikeout ace, who relieved starter Ernie Broglio in the seventh, was charged with the loss.

For the All-Stars, the winning pitcher was strong-armed Kazuhisa (The Rhino) Inao, who recently won four games in leading his Nishitetsu Lions to victory in the Japan World Series.

Inao also entered the game in the seventh after starter Atsushi Aramaki served up a home run ball to Cards' catcher Gene Green which tied the score at 2-2.

Robert B. McCurry, former Michigan State football center, captained the Spartans for three years, 1946, 47 and 48.

## Pitt Will Seek Quick Answer To Slow Start

PITTSBURGH (AP) — Pitt's football team starts slower than an old jalopy in January and takes about as long to warm up. Coach Johnny Michelosen feels this was partially responsible for Saturday's 14-14 standoff with Army.

While Army was running up a 14-0 second period lead, Pitt's attack coughed and sputtered.

### District Grid Games

THURSDAY

South Side at Northwestern

FRIDAY

East Liverpool at Salem
Wellsville (open)
Midland at New Brighton
Wellsburg at Chester
Cameron at Newell
East Palestine at Louisville
Columbiana at Lisbon
Sebring at Leetonia
Irondale (open)

SATURDAY

Beaver Local at Weirton Madonna
United at Salineville (2 p. m.)
Fairfield-Waterford at Warren St. Mary's

"We got into a hole at the start, just as we have in the past few games," said Michelosen grimly. "This is a disturbing factor because we can't make use of our total offense. Something has to be worked out."

The Panthers machine suddenly began running effectively only minutes before the half ended. They score a touchdown before intermission and an early second half drive knotted the score.

After that only the grimmest determination of the Cadets preserved No. 1 Army's unbeaten record in five games. Pitt mounted attack after attack, missing on two field goal attempts, one by the narrowest of margins.

Going into the game Army was first in total offense but the statistics came out heavily in Pitt's favor. The Panthers picked a total of 332 yards to only 165 for the Cadets.

At the end it appeared Army was ready to settle for a tie, though Coach Red Blaik later denied it.

### *Yard-Lines Trip Players During Dixie Grid Battle*

BATON ROUGE, La. (AP) — The old chestnut about players tripping over the yard-line stripes was never truer than in Saturday night's Louisiana State-Florida game.

Florida Coach Bob Woodruff was the first to notice something was amiss. He wasn't too happy anyway, since the highly-rated Bengals had whipped his team 10-7.

Woodruff went to the LSU dressing room to congratulate rival coach Paul Dietzel.

"I'm not alibing," Woodruff said. "But those yard-line stripes are just like oyster shells. Why, it's like having ropes stretched across the field."

So Dietzel asked a reporter to test the yard lime markers with a few well-aimed kicks.

The reporter did, and was immediately sorry he had. The harmless looking stripes were like hunks of concrete rising an inch or so above grass level.

"I thought something was strange, the way the boys kept falling down," Woodruff said. "Obviously, a poor lime solution was used to mark the field."

"But no complaints," Woodruff said. "After all, the LSU team had to run across the same stripes."

### Olivet Drops 28 In Row But Isn't Near Record

NEW YORK (AP)—Olivet College of Michigan has lost 28 straight football games but still has a long way to go to match the record of St. Paul Poly of Lawrenceville, Va.

The Virginia school dropped 41 straight between the end of the 1940 season and the middle of the 1953 campaign.

### Toronto Seeks Games

Toronto High School athletic officials are seeking football games for two Fridays for the 1959 season. Open dates include Sept. 18 and Oct. 2. Schools interested are to contact George J. Kunzler of the Toronto athletic department.

The University of Texas has been playing football for 66 seasons.

## *Salineville Edges Newell 6 To 0 On 65-Yard Punt Run*

Halfback Rich Dunlap raced 65 yards for a touchdown on a first-quarter punt return to give Salineville High a 6-0 decision over Newell's Big Green Saturday afternoon at Salineville.

A muddy field, caused by a heavy downpour in the morning and a drizzle in the afternoon, figured prominently in the outcome as neither team could muster any major scoring drives following Dunlap's early touchdown run.

Coach Pete Horoszko's charges did, however, have a chance to tie the game in the first half, but time ran out at the end of the second quarter with Newell pounding away on the Salineville eight-yard line.

Halfback Harp McCuen set up Newell's only major scoring chance when he intercepted a pass thrown by Salineville's quarterback, Larry Kessler, and raced to the 10-yard line before being hauled down from behind.

Two running plays carried to the eight but Newell's chances to tie and perhaps go ahead in the game faded when the halftime whistle blew.

The second half found both teams exchanging punts and hoping for a break as the slippery turf hampered running and made passing inaccurate.

Coach Dick Jones' Indians picked up their fourth victory in seven games this season, while Newell suffered its sixth and third straight loss of the season. First downs were even, with five for each team.

## 'Coaches Are To Blame,' Dodd Says In Rules Snubs

FORT WORTH, Tex. (AP) — Bobby Dodd, outspoken coach of Georgia Tech, says coaches like Bud Wilkinson of Oklahoma and Ralph Jordan of Auburn knew what the alumni were doing to get their teams in trouble with the NCAA.

He also says the coaches of institutions that have been placed on probation should be ineligible for any and all honors.

He declares that the Football Coaches Assn. is failing to do a good job of cleaning up the profession because its ethics committee "can't or won't publicly spank its members who have been caught breaking the rules."

These were among the caustic thoughts Dodd left behind him when he took his Georgia Tech football team back to Atlanta following its 20-0 defeat by Southern Methodist at Dallas. He gave them to Flem Hall, sports director of the Fort Worth Star-Telegram, who carried them in his column today.

Hall quoted Dodd as wanting both the football coaches and the football writers of the country to take a firmer stand against violations of rules of both play and the NCAA.

"The head coach is the man responsible for violations and no one else," Dodd declared. "There has been an effort to shift the blame to the presidents but that's not right. The president is too busy with bigger things to keep up with than with what I'm doing on my recruiting program. The head coach knows what's going on among the alumni, too, and can control it if he really wants to."

Declaring that Wilkinson knew what his alumni was doing when their actions got Oklahoma in trouble with the NCAA a few years ago and that Jordan knew what was happening when Auburn was "caught four times and now is under a fresh 3-year ban," Dodd said he was disappointed that some Texas papers defended Paul Bryant when he was at Texas A&M College during the time the Aggies were placed on probation.

"Why, one Dallas paper went so far as to suggest that Bryant's methods were right and the other coaches were silly for not doing the same thing," Dodd was quoted.

### *South Side Loses By 28-0 Score To Weirton Madonna*

Paced by quarterback Ronnie Rumora, who scored two touchdowns, visiting Weirton Madonna blanked the Golden Eagles of South Side, 28-0, Saturday.

It was South Side's fourth setback in seven games.

Madonna posted its sixth victory in eight games. The offense-minded Blue Dons have rolled up 206 points this season, while holding opponents to 68.

Fullback Norman Blanchard and end John Cook tallied the other two TDs for the winners. Tackle Pat Brancazio made good on four extra point conversions.

### Barry MacKay Enlists, But Will Play For Cup

WILMINGTON, Ohio (AP) — Barry MacKay, a top tennis amateur from Dayton, is slated for Air Force duty but he'll get in some important playing first.

He enlisted at Clinton County Air Force Base for six months last Saturday. But he said that before he reports for duty, he will travel to Australia for competition with the U. S. Davis Cup team next month.

## East Palestine Wins 6th Over Poland, 24-6

Undefeated East Palestine kept its victory string intact and cleared one of the highest hurdles on the way to a perfect season and state ranking by using the air lanes twice to dispose of Poland High, 24-6, Saturday afternoon at at Poland.

Coach Bob Mallory's Bulldogs rolled to their sixth consecutive win of the football season by scoring in every period but the second. The team is now only three games away from an undefeated campaign, still having to face Louisville this week and then Columbiana and Bellaire St. John's.

Palestine grabbed an 8-0 halftime lead when quarterback Bill Woods fired a touchdown pass to end Jim Knight on a 25-yard play. Fullback Beau Bell bucked for the conversion.

In the third quarter, the Bulldogs boosted their lead to 16 points as Woods again took to the air and pitched a 30-yard pass to Knight for another touchdown. Knight ran over the conversion.

Poland squeezed in its lone touchdown in the final quarter when Bill Thurne broke loose on a 13-yard scoring run. Halfback Bill Harriott's 20-yard touchdown run in the final period sewed it up for East Palestine. Bell again smashed over for the conversion points.

The 24 points scored by the Bulldogs raised their season's total to 174 to only 46 for opposing teams.

**EAST PALESTINE—24**
Ends — J. Knight, Wellendorf, D. Knight.
Tackles — Thompson, Robinson.
Guards — Ganoe, Marshall, Tauchner.

### *Potter Reserves Blitzed, 40-8, By Massillon Jayvees*

East Liverpool's Reserves fell before a second-half touchdown barrage after trailing only 14-0 at intermission in losing to Massillon High's Reserves, 40-8, Saturday afternoon at the Stark County School.

Massillon's two-platoon system moved the Tigers out to a 14-0 lead at the end of two quarters and a 26-8 margin at the end of three.

The Potter touchdown came in the third quarter when sophomore quarterback Ken Cunningham tossed a scoring pass to sophomore end Tim Archer in a 40-yard operation. Coach Bob Hedmond's young Potters now have a 2-2-1 season record. Sparking the Potter jayvees on offense was sophomore John Goodballet, 145-pound fullback.

### Stricken At Pitt Game

PITTSBURGH (AP) — George F. Brown, 70, president and general manager of the Fullman Manufacturing Co. of Latrobe, died Saturday of a heart attack suffered at the Pitt - Army football game. Brown played halfback on Pitt football teams in 1910-11.

Frank Wilson, Pennsylvania center, is an accomplished pianist. He plays everything from Rachmaninoff to Rock 'n Roll.

## FIGHT RESULTS

By The Associated Press

Havana —Ezequiel Uribe, 136¼, Mexico, outpointed Armando Baragano, 137¼, Cuba, 10.

Hollywood — Dwight Hawkins, 122, Los Angeles, stopped Baby Brown, 121, Philippines, 5.

### Weirton Ranks Fourth In West Virginia Play

By The Associated Press

East Bank, Sissonville and Winfield topped unofficial rankings in West Virginia high school football races today, with only two weeks left in the regular season for most squads.

The ratings by classification:

AAA — East Bank, 13.8; Barboursville, 13.6; Parkersburg, 13.1; Nitro, 12.6; Weirton, 12.5; Fairmont West, 12.3.

AA — Sissonville, 12.50; Clarks-Roosevelt-Wilson, 12.08; Point Pleasant, 12.0; Follansbee, 11.4; Keyser, 11.3; Hinton, 10.7; Gauley Bridge, 10.6; Williamson, 10.5; Fayetteville, 10.5.

A — Winfield, 9.7; Meadow Bridge, 9.6; Barrackville, 8.57; West Virginia School for Deaf, 8.5; Hamlin, 8.4, and Green Bank, 8.2.

# Brown Scores Four More Touchdowns In Drive On Records

## Fifth Straight Won 38 To 24 By Cleveland

By The Associated Press

Jimmy Brown is mortal. But, not by much.

The sensational Cleveland fullback, threatening to send opposing linemen to their nearest psychoanalyst, is well on his way to establishing a host of new National Football League offensive records.

Equally proficient at racing outside or banging away inside, Brown scored four touchdowns Sunday as the Browns outscored Chicago's Cardinals 38-24. The Browns lead the Eastern division with a 5-0 record.

**Eastern Conference**

**Sunday Nov. 2**

Detroit at San Francisco
Chicago Bears at Los Angeles
Green Bay at Baltimore
Washington at Pittsburgh
Philadelphia at Chicago Cards
New York at Cleveland

The 22-year-old former All-America from Syracuse University made distinct headway in these departments:

1. Most yards gained one season — Brown has amassed 815 yards, 180 in 24 tries Sunday. It seems almost certain he will break Steve Van Buren's mark of 1,146 set in 1949 with Philadelphia.

2. Most touchdowns one season —Brown now has 14, only four shy of Van Buren's 1945 standard.

3. Most points one season—this is furthest from Brown's grasp. The Cleveland sophomore has 64 points. The record is 138, set by Don Hutson of Green Bay in 1942. Brown will have to average close to two TDs a game to best Hutson, the great end who also handled Green Bay's conversions.

While Brown was making defensive lines cower, Baltimore's Johnny Unitas was doing the same with the secondary. He tossed two touchdown passes as the Colts, only other undefeated team, remained in front in the Western Conference with a 5-0 mark, whipping Washington 35-10. It was the 20th consecutive game in which Unitas has thrown for a score.

In other games, Chicago's Bears remained in contention in the west with a 4-1 mark, as they defeated San Francisco 27-14; New York moved into second place in the east with a 17-6 triumph over Pittsburgh; defending champion Detroit won its first game of the season, 41-24 over Los Angeles, and Green Bay outlasted Philadelphia 38-35.

Brown scored on dashes of 62, 41, 7 and 2 yards. His second and third TDs, coming in the third quarter, enabled Cleveland to overcome a 24-17 Cardinal lead, effected by Lamar McHan's passing and signal-calling. The Browns' only other touchdown was produced by rookie Leroy Bolden, who scampered 102 yards with a kickoff.

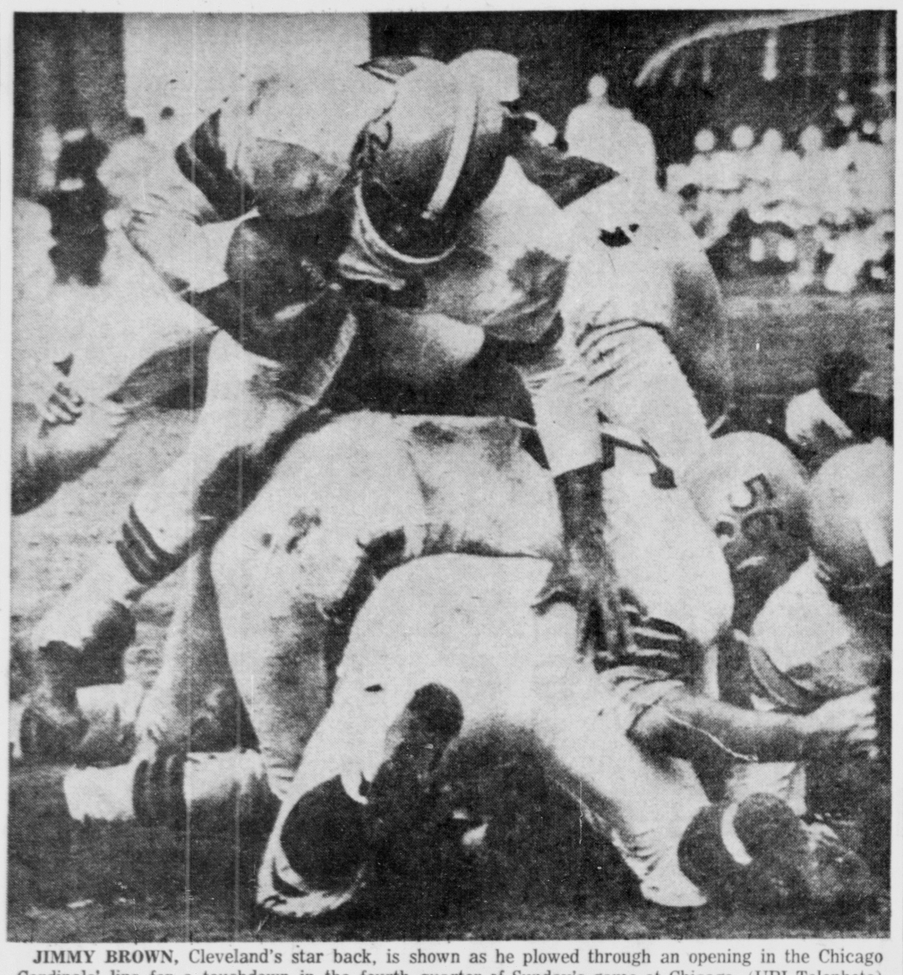

Unitas hit Ray Berry with his scoring passes for 17 and 48 yards before a record crowd of 54,403. Lenny Lyles, the speedy Colt rookie, made his second end zone-to end zone dash as he lugged a kickoff 101 yards.

The Bears won a rough game from the 49ers in which Bear Coach George Halas had a punch thrown at him by a fan. Willie Galimore, the Bears' flashy back, scored twice, first on a 20-yard run and then on a 47-yard pass play.

New York brought its record to 3-2 by recovering three fumbles by Pitt fullback Tom Tracy and converting two into scores. The Giants scored only once on their own initiative and it was the clincher. Leading 10-6 in the final quarter, quarterback Don Heinrich led a 70-yard march and scored himself from the one. The Steeler points came on field goals by Tom Miner.

Detroit's Tobin Rote connected for three scoring passes to lead the Lions to their first victory. The defending champs unleashed a sensational 104-yard scoring play early in the contest that laid the groundwork for the victory. Gene Gedman took a Ram kickoff four yards in the end zone, stepped out to the 14 and handed off to Terry Barr who went the remaining distance. The attendance at Los Angeles was 81,703, largest of the day.

Babe Parilli took over the Green Bay quarterbacking from Bart Starr and pitched touchdown passes of 34, 14, 10 and 25 yards as the Packers also notched their initial victory. Paul Hornung's field goal in the opening period was the margin of victory. Philadelphia's Norm Van Brocklin passed for three scores,

JIMMY BROWN, Cleveland's star back, is shown as he plowed through an opening in the Chicago Cardinals' line for a touchdown in the fourth quarter of Sunday's game at Chicago. (UPI Telephoto)

## *Northwestern, OSU Tilt Tops Ohio Grid Schedule*

By FRITZ HOWELL
Associated Press Sports Writer

COLUMBUS, Ohio (AP)—Ohio State's burly Bucks, who played their best game of the year Saturday and still were held to a 7-7 deadlock by Wisconsin, get a crack Saturday at Northwestern's Cinderella team.

Coach Ara Parseghian's Wildcats failed to win a game last year, but bowled over four foes this season before succumbing 26-20 Saturday to Iowa's Big Ten leaders.

Parseghian followed Ohio State chief Woody Hayes as head coach at Miami University, each stepping to the Big Ten from the Oxford school.

The famed Buckeye offense had its troubles against Wisconsin, getting a score on only one of its nine tries with the ball. Except for the 66-yard 20-play scoring drive—helped by a holding penalty to within the one-foot line—Ohio failed to dent Badger territory in its last seven possessions.

Over the same stretch the Wisconsins were banging at Ohio's door, only to miss a field goal attempt, lose the ball on an end zone interception and surrender it again on a fumble on Ohio's 12.

Ohio was penalized only five yards and Wisconsin 10 in the entire game. Ohio's infraction was a delay of game, while Wisconsin's backfield was in motion once in addition to the holding call.

Coach Milt Bruhn of Wisconsin questioned the latter, and also objected that Hayes congratulated the official who called it before heading across field for the post-game handshake with the Badger mentor.

While Ohio is invading the Wildcat lair, some hefty games are on tap on the home front. The big one sends Bowling Green against Miami at Oxford in the Mid-American Conference classic. Bowling Green was dumped 8-7 by Kent State Saturday, while Miami was losing 12-7 to Indiana. A Falcon win over the Redskins could catapult Kent State into the rugged loop's top spot—but a Miami conquest would just about wrap up the loop crown for the Redskins.

Wittenberg, all alone at the top of the Ohio Conference after its convincing 28-6 win over second-place Akron, tangles with Denison's Big Red this week. The latter showed power in a 39-8 nod over Capital.

Western Reserve, Presidents's Conference leader with two straight, has tough John Carroll, 3-1 in the loop, to contend with. Bluffton, with the Mid - Ohio League title tucked away with a 5-0 record, goes against Manchester, Ind., in a non-conference event.

Cincinnati goes to North Texas State in a Missouri Valley Conference battle.

The state's big independents have some hot-shot affairs scheduled. Dayton visits Holy Cross and Xavier invades Marshall.

Saturday's game swept the last of Ohio's unsullied teams off the record books. Ohio State was tied, Bowling Green beaten, and Central State's four - game winning streak was shattered 20-6 by Tennessee State. Only Hiram of the 35 colleges has failed to win.

The Ohio teams won seven, lost three and tied one in interstate play over the weekend, giving them a 40-15-3 season record with a scoring edge of 1149 to 760.

This week's schedule:

Thursday night: Baldwin-Wallace at Youngstown.

Friday night; Wilmington at Georgetown, Ky.

## *Warren Lincoln Sets Record At St. Clairsville*

Potter cross-country star Warren Lincoln smashed a district record in stretching his undefeated string to eight straight as the East Liverpool harriers finished third in a district meet Saturday at St. Clairsville.

Lincoln flashed over the two-mile course in 9:40.3 to shatter a previous record of 9:53 set by a Marietta runner several years ago. It was his eighth straight victory of the season, while the team finished with an overall record of two wins and five defeats.

Bellaire and St. Clairsville tied for first place with 47 points. The Potters finished third with 48. Low score wins.

Both Lincoln and teammate Robert Christen, who finished ninth, qualified for the state cross-country meet Saturday at Columbus.

## Cleveland Physician Drowns As Boat Flips

MENTOR, Ohio (AP)—Dr. R. T. Pillsburg, 26-year-old resident physician at Cleveland Metropolitan General Hospital, was drowned Sunday night when a 19-foot sailboat capsized a mile out in Lake Erie off Mentor Headlands.

Three other persons clung to the craft for more than five hours before three-foot waves washed them ashore. They were Jerome Isear, 33, Cleveland, owner of the boat; Cynthia Sterling, and Nancy Bryan, both 23 and of Shaker Heights. The women were treated for shock and exposure at Lake County Memorial Hospital. Isear was not hurt.

## Man Shot To Death

LOUISVILLE, Ky. (AP) — Dr. Ernest Alden Terry Jr., 38, medical director of General Electric Appliance Park Plant, was fatally shot Sunday while on his way to church. Police charged Henry R. Anderson, 43, with murder.

## Car Deaths Ruled As Asphyxiation

DAYTON, Ohio (AP)—A 25-year-old man and his 15-year-old girl companion, found dead in an auto Saturday, died of asphyxiation, the Montgomery County Coroner's Office announced Sunday.

The pair, William N. Bostick and Barbara Jo Anderson, both of Dayton, were found Sunday morning in Bostick's auto parked on Andrews Road south of suburban Kettering.

Deputy Coroner Harry Bloomer said an autopsy revealed both died of asphyxiation, apparently from fumes from the car engine. Bloomer said the ignition was on and the auto's gas tank was empty.

Bostick also had a severe head injury which the coroner earlier said might have been the cause of death.

Police still are investigating the double death and the coroner has not ruled whether or not the deaths were accidental.

Police quoted the girl's parents, Mr. and Mrs. Clyde Israel, as saying Bostick and an unidentified companion called for the girl at 10:30 Saturday night. The girl told her parents she was going with the pair to a drive-in to get something to eat.

Police still have not located Bostick's companion. Bostick was married and the father of four children.

## Ohio 5-Day Forecast

Temperature will average three to five degrees below normal. Normal high 57 north, 61 south. Normal low 39-40. Continued cool through Friday and a little warmer Saturday. Occasional light rain daily through Thursday, mainly over the southern half of the state. Rainfall averaging one-tenth to two tenths of an inch in the north and central and about one-third of an inch in the south.

The number of married couples in the United States was almost 39 million in 1957, an increase of 37 per cent over the 1940 figure of 28.5 million.

## Backers See Approval For Ohio's Issue No. 1

COLUMBUS, Ohio (AP)—Backers of Issue 1 today predicted its approval by voters in the Nov. 4 election without a big - spending publicity campaign.

Several statewide organizations have joined the drive for the proposal to allow metropolitan federations within major counties to improve such services as sewer, water, garbage collection, police and fire protection and the like.

Volunteers are working hard for approval of the state constitutional amendment, said James E. Fain of Dayton, chairman of a campaign committee.

"An extremely modestly financed campaign in favor of the issue, widespread news coverage and the zeal of volunteers are paying off," Fain reported. He is executive editor of the Dayton Daily News.

## How Can I? ? ?

By ANNE ASHLEY

**Q. How can I take proper care of leather chairs?**

A. First use a damp rag to wipe off all dirt and dust, then rub the leather with a cloth that has been dipped in the well-beaten white of an egg. After the egg has dried, rub thoroughly with a clean cloth.

**Q. How can I keep the bread board white and clean?**

A. Rub lemon juice into the bread board. It will whiten the wood beautifully and will absorb all grease and dirt from the board.

**Q. How can I restore the crispness of nutmeats?**

A. This can be done by placing the nutmeats in the oven for a few minutes.

## Quartet Due At Church

HOOKSTOWN—The Sunshine Boys Quartet will appear Tuesday night at 8 in the Presbyterian Church, sponsored by the Church Choir. Lunch will be sold in the church basement.

## All Comers Wins Feature At Waterford

All Comers, owned by M. H. Van Berg of Columbus, Neb., scored an easy victory in winning the featured seventh race with a purse of $1,200 Saturday at Waterford Park before 3,924 fans.

With jockey E. J. Decker in the saddle, All Comers raced to the front of the seven-horse field and won the five-furlong event by two lengths over O'Keegan. In justifying favoritism, All Comers returned $3, $2.40 and $2.20. On The Ropes ran third.

A number combination of 3 and 3 paid $27.60 when Harriet F. won the first race and Jeep Flyer arrived at the wire first in the second. Vic Bovine rode Harriet F., which paid $5.80, $3.80 and $3. Jeep Flyer returned $9, $4 and $3.20.

Bovine also rode Lewis A. D., winner of the third race, to give him a total of 56 winners for the fall meet. Francisco Saumell is leading in the race for winning jockey honors with 63.

**First Race** — Purse $1,000; 3 & up; clmg all $1,500; 7 furlongs. Turf Course. Time 1:28.

Also ran — A-Painted Up, Mr. C. G., Bert B, Rhywick, Big Crash.

Attendance 3,924; Mutuel Handle, $285,786.

## *4 Major Elevens Unbeaten, Untied*

By ED CORRIGAN
Associated Press Sports Writer

Only four major college football teams remained in the undefeated-untied charmed circle today and at least one of them must be expelled this week.

Louisiana State and Mississippi, both boasting proud 6-0 records, meet Saturday night in Baton Rouge, La., the team that wins this one should go on to the Southeastern Conference championship and the host spot in the Sugar Bowl.

Of the other two unbeaten-untieds—Rutgers and Colorado—the Scarlet from the banks of New Jersey's Raritan River, appears to have a relatively easy assignment against Delaware.

Colorado has a mighty rough assignment. The Buffs play Oklahoma, the perennial kingpin of the Big 8. But the Sooners are human this year (they lost to Texas, 15-14), and the Buffs have as good a club as they've produced in a long time.

Should LSU and Ole Miss happen to play a tie and Oklahoma beats Colorado, that would leave Rutgers in a class by itself as the only unbeaten-untied major team in the nation.

Both LSU and Mississippi had close squeaks Saturday. The Bayou Bombers licked tough Florida, 10-7, while Ole Miss barely turned back winless Arkansas, 14-12.

But their troubles were nothing compared to Army's and Ohio State's, the Nos. 1 and 2 teams in last week's Associated Press poll.

The Cadets could do nothing better than a 14-14 tie with Pitt in a game that was advertised as deciding the Eastern championship, while Ohio State wound up in a 7-7 deadlock against Wisconsin.

Then there were the sad cases of Texas and Northwestern.

The Longhorns, on the basis of their victory over Oklahoma, were installed as solid choices to win the Southwest Conference title. Instead, Rice sidetracked them emphatically, 34-7.

Northwestern, which couldn't win a game last year, had polished off four straight rivals and the rest of the Big 10 was beginning to sit up and take notice. But once-tied Iowa burst the bubble, 26-20, and now is in undisputed possession of first place in the league.

Army plays Colgate this week and Ohio State is at Northwestern. Texas could be in for another rough afternoon against pass-crazy Southern Methodist.

There are only two other major schools that are unbeaten but have been tied. They are Auburn, last year's national champion, which halted Maryland, 20-7, Saturday and still has an outside chance of winning the Southeastern Conference title, and the Air Force Academy. The Fly Boys shaded Utah, 16-14, Saturday.

All is chaos in the Pacific Coast Conference with California the leader. If the Bears get by Oregon State this week, they could wind up in the Rose Bowl.

## Big Ten Lead Held By Iowa

By JOE MOOSHIL
Associated Press Sports Writer

Iowa's mighty Hawkeyes are heading for the Big Ten title and a possible Rose Bowl bid but must overcome some traditional rivals to achieve their goal.

The Hawkeyes remained the only undefeated, untied team in Big Ten play following their narrow 26-20 victory over upstart Northwestern Saturday. Ohio State, the defending champion, settled for a 7-7 tie with Wisconsin.

Iowa now must wade through Michigan, Minnesota and Ohio State in concluding its Big Ten program. The Michigan and Minnesota games are on the road but the all-important Ohio State game is in Iowa City where the Hawkeyes seldom lose.

Still very much in the race are Ohio State, Northwestern, Illinois, Wisconsin, Michigan and Purdue. Ohio State dropped to second place in the conference since a tie counts one-half game won, one-half game lost. Illinois moved into a third place tie with Northwestern on the strength of its 16-0 triumph over Michigan State.

Purdue vanquished Notre Dame 29-22; Michigan edged Minnesota 29-19; and Indiana turned in a 12-7 non - conference victory over Miami of Ohio.

With the Big Ten hitting the halfway mark, Iowa is on top with a 3-0 record. Ohio State is 2-0-1, followed by Northwestern 2-1, Illinois 2-1, Purdue 1-1, Wisconsin 1-1-1, Michigan 1-1-1, Michigan State 0-2-1, Indiana 0-2 and Minnesota 0-3. Only Michigan State, Indiana and Minnesota can be counted out of the race.

A full schedule is on tap this week with Illinois at Purdue, Minnesota at Indiana, Iowa at Michigan, Wisconsin at Michigan State and Ohio State at Northwestern.

## United Bows To Marlboro

HANOVERTON — United High's Golden Eagles lost their third game of the season here Saturday afternoon when once-beaten Marlboro turned on the power in the first half and triumphed, 20-8.

Marlboro raced out to 14-0 lead before United's fullback Jim Summer pitched a 15-yard touchdown pass to Ben Morgan in the third quarter. Summers connected on another pass with Chestnut for a two points conversion.

With the score 14-8, Marlboro roared back and added its third touchodwn of the afternoon after Tom Bixler had hauled a punt to United's one-foot line. A penalty against United moved the ball only inches away from the goal line and Dick McGirr went over on the next play.

Coach Ray Russell's Eagles are now 2-3-2 for the season while Marlboro is 6-1. Miss Shirley Hubbard, a raven-haired senior, was crowned United's "Football Queen" at halftime.

| | | | | | |
|---|---|---|---|---|---|
| **UNITED—8** | | | | | |
| **MARLBORO—20** | | | | | |
| UNITED | 0 | 0 | 8 | 0 | —8 |
| MARLBORO | 8 | 6 | 6 | 0 | —20 |

Ends—Morgan, Chestnut.

## Irons Routed By Brilliant

Undefeated Brilliant High, leading Irondale only 6-0 at halftime, shifted its touchdown machinery into high gear in the second two periods and routed Coach Fred Sims' Irons, 42-0, Saturday afternoon at Brilliant.

Brilliant won its seventh consecutive victory of the season and now has attained the best football record in the school's history. The Blue Devils haved scored 280 points to the 60 of their opponents.

Irondale fell behind, 6-0, in the first quarter when Jerry Daugherty, the Ohio Valley's top scorer, tallied on a 13-yard end sweep. A rushing attempt for the conversion failed.

In the second quarter, the Irons moved to the Brilliant 9-yard line, a buck by halfback Don Fraley carried to the 8 and quarterback Bill Chetock fired a pass to Fraley to about the one.

However, two rushes by Fraley were halted by Brilliant's line and Irondale's only scoring chance of the afternoon was thwarted.

Brilliant led off a 22-point third quarter by blocking an Irondale punt and recovering the ball in the end zone. Degenhart's pass for the conversion was good and the Devils proceeded to turn a close game into a rout.

It was Irondale's fourth defeat against two victories.

| | | | | | |
|---|---|---|---|---|---|
| **BRILLIANT—42** | | | | | |
| **IRONDALE—0** | | | | | |
| IRONDALE | 0 | 0 | 0 | 0 | —0 |
| BRILLIANT | 6 | 0 | 22 | 14 | —42 |

Ends — R. Fraley, Rine.

Guards — Sterling, Simpson.
Center — Hoover.
Backs — D. Cook, Daugherty, L. Linn, Freeland.
Ends — Pisarsky, Logan.
Tackles — David, Brugett.
Guards — Brammer, L. Fraley.
Center — Ben Chetock.
Backs — Bill Chetock, D. Fraley, Pilutti, Patton.

Brilliant scoring: Touchdowns — Daugherty 2, Freeland 2, Cook, Fraley. Points after touchdowns — Freeland (pass), Fraley (pass), Cook (rush).

## Tony Zill Dies At 60

YOUNGSTOWN, Ohio (AP) — Tony Zill, a former professional boxer and trainer of Ursuline High School's football team for a quarter of a century, died of a heart attack Sunday night. Zill, 60, had been installed in Youngstown's first hall of fame a week ago. He competed as a lightweight and retired from boxing in the mid-20s. Until six years ago, he was a prominent boxing referee.

# REVIEW WANT ADS

Remember when you used to trade the boy next door for his best "aggie" or maybe a pocket knife for a whole bag of marbles?

In those days "tradin' stock" went a long way to make life interesting. Today you may still have many items tucked away in attic, garage or basement that would make dandy "tradin' stock" or, better yet, when sold through Want Ads, would bolster your cash or bank account.

Why don't you sit down today or this evening and make a list of the things that you could sell so easily through Want Ads? You'll probably be surprised at the items you have and at the amount you'll receive for them after your ad begins to run.

Pick up the phone after your list is complete and call FU 5-4545, say Want Ads. A friendly Want Ad-Taker will help you write your ad and place it for you so that it will get the fast results our Want Ads are famous for!

## To place your WANT AD simply

WRITE: . . . just write out the description of the articles you want to turn into cash . . . indicate how many days you want your ad to run . . . include your home address and telephone number . . . and drop your ad in the nearest mail box.

PHONE: . . . simply decide what you want to advertise and gather all the materials together such as size, color, etc. Then dial FUlton 5-4545 and ask for an Ad Taker. She'll be glad to help you complete your ad.

STOP IN: . . . when you are downtown, drop into the Review office. You'll find the Want Ad department on your right as you enter the building. A helpful Want Ad Taker will help you with your ad and get your selling message on its way to over 70,000 readers every day.

## 25 Millionth Trucker To Be Turnpike Guest

PITTSBURGH (AP)—State police stopped Cleo W. Jones today at the Pittsburgh interchange of the Pennsylvania Turnpike to tell him his was the 25 millionth truck to enter the toll road.

Jones, a 32-year-old resident of Upland, Pa., quickly was put at ease when the troopers handed him a certificate for a week-long free vacation in Pennsylvania's Pocono Mountains.

The turnpike commission will pick up the tab for the vacation which Jones, his wife, Betty, and their two children, Gay, 13, and Dean, 4, can take at their leisure.

The big rig marked a mile post in the history of the state's much publicized toll highway. It was opened Oct. 1, 1940.

For Jones the trip on the turnpike started just as many others have. He said he averages four trips a week on the super highway while driving between Akron, Ohio, and Philadelphia. He is employed by Motor Cargo, Inc., of Akron.

## Confident Living

**Dr. Norman Vincent Peale**

***You Can Learn From People***

Nino is a taxi driver in Rome. We first met some years ago when he drove us throughout Europe before we had discovered the fun of drive-it-yourself. Now we were back in Rome for just three days and another friend, Giulio Rossi, who runs a garage in the Via Purificazione, met us at the airport. He told us that Nino's wife had died and that Nino no longer could drive for him since that required trips away from Rome. Now Nino was driving his own cab, but, even so, he would love to take us for an afternoon in one of Giulio's cars.

Dr. Peale

The Lord blessed Nino with one of those glorious personalities for which radiant is the only word. He gets all tied up in his English, so excited is he about everything.

—:—

**HE THREW** up his arms in a gesture of welcome when he saw me and embraced me with such outgoingness that I just knew he loved me. It's a wonderful thing to know that someone really loves you just for yourself.

"I'm so sorry about your dear wife," I said. Nino fumbled with his wallet and pulled out a rather soiled and battered mourner's card such as are given out at funerals.

It told about what a kindly, good woman she was. My friend stood pathetically looking at her picture. "I must care for the children alone. . . .be mother and father," he said bravely.

"It must be awfully hard to carry on without her. She was indeed a beautiful soul," I said.

A strange look of peace came over Nino's face. "It is God's will," he replied with deep feeling. "God gave her to me, then He took her to Heaven. God helps me. I shall meet my angel again. God, He is very good."

—:—

**OF COURSE,** this was a simple and not at all unique conversation, but suddenly I felt a strong sense of fellowship for this swarthy, genuine hearted man. He is Italian, I am American; he a Catholic, I a Protestant; he a taxi driver, I a preacher and writer. But what difference was there between us? Love made us brothers. He is my friend and I his, and I learned deeper faith from him.

It's rather amazing how some people are always wanting to meet so-called VIP's, celebrities, big shots, well-known names. Many famous personalities are indeed fine persons, brilliant and interesting. And of course we can learn much from those who have done so much. If you expose yourself to such people, some of what they have may rub off.

But no everybody associates with the well known for that purpose, but rather to bask in so-called celebrity glory. In my own experience rich values have been given me by those who are not known to fame or fortune. I think gratefully of them and prize their friendship.

Never underestimate what you can learn from any person. From them you can pick up some real gems of wisdom. For example, I was talking with a woman who had gone to work following the sudden death of her husband. "You are very wise," I said, "to take a job and keep yourself busy."

And I commented on the value of hard work in assuaging sorrow. I told her about an old country doctor of my youth who once advised a broken-hearted woman: "The best cure for a broken heart is religious faith and to get down on your knees and scrub a floor."

The lady smiled gently, "Yes, of course, but I've found that work is a drug and not a medicine. Work desensitizes, but does not heal. Faith is the real healing medicine." Believe me, there is real wisdom in that remark. You can indeed learn from people.

## ANNOUNCEMENTS

**2 IN MEMORIAM**

IN loving memory of FREDA VAUGHN EWING who passed away 1 year ago today. OCT. 27, 1957.
No one knows how much we miss you,
No one knows the bitter pain
We have suffered.
Since we lost you life has never been the same.
In our hearts your memory lingers,
Sweetly tender, fond and true.
There is not a day dear mother,
That we do not think of you.
Sadly missed by her grandchildren, and great grandchildren.

IN Loving memory of FREDA VAUGHN EWING who passed away 1 year ago today. OCT. 27, 1957.
Peaceful be thy sleep, dear mother
It is sweet to breathe thy name;
In life we loved you dearly,
In death we do the same.
Oft we think of you, dear mother,
And our hearts are sad with pain,
Oh, this would be heaven
Could we hear your voice again.
You are gone but not forgotten,
Never shall your memory fade,
Sweetest thoughts shall ever linger
Around the grave where you are laid.
Sadly missed by her husband, daughters.

**AN X-RAY VIEW Shows the Difference**

When you purchase a car there are some very important points that you never see that make the difference between a dependable car and a bucket of bolts. An X-ray view would show these points as:

DEPENDABLE IGNITION
WELL TUNED MOTOR
STRONG BATTERY
BRIGHT LIGHTS
WARM HEATER
INSPECTED STEERING
CLEAR SAFETY GLASS
SPARKLING FINISH
CLEAN INTERIOR
GOOD TIRES
SAFE BRAKES

Because you never see most of these points your Franchised Dealer checks them for you before you buy. Therefore when purchasing a used car make it a point to shop a Franchised Dealer listed below and get dependable transportation.

Don't be sorry — Be safe.

# Library's Gershwin Books Timely For His Anniversary

Miss Frances Jones, librarian at the Carnegie Public Library, said the 16th anniversary of George Gershwin's birth is being observed this year with several new biographies.

"The Gershwin Years" is the most complete of these since it was compiled from the archives of Ira Gershwin.

It is a lush volume featuring Al Hirshberg's cartoons and inumerable photographs of George and the celebrities with whom he was associated. Closely related with this is "The Musical Life" by Irving Kolodin. The latter, a music critic of long standing, tells of his experiences in the Gershwin penthouse.

A second biography which does justice to a revered figure is "Miss Alcott of Concord" by Marjorie Worthington. This is a portrait of a lively New Englander as well as a picture of the brilliant circles in which she moved.

Betty Flanders Thomson writes of New England today in "The Changing Face of New England." Alice Ross Colver writes a novel of a Massachussetts courtship in Revolutionary War days, "Where Goes the Heart?"

A French writer, Rimbaud, is the inspiration for James Ramsey Ullman's "The Day on Fire." The real name of this poet was Claude Morel and Ullman's novel deals with the years following his Parisian success when he became an adventurer in Asia and Africa.

For those who like lengthy fiction — this one lasts for 700 pages!

Robert W. Krepps, who hails from the Pittsburgh region, also pens a tale of Africa in "The Earthshaker." This concerns a clash over a diamond fortune in the Boer regions of the continent.

The Asiatic landscape is serving more and more as a backdrop for successful novels. Han Suyin, who gained fame with "A Many Splendored Thing," has a new novel on Nepal, "The Mountain Is Young." Arthemise Goertz and Phillis Whitney have both selected modern Japan for new fiction locales. "The Moonflower" is the latter's tale of a young American scientist who became emeshed in the intrigues of a Japanese family. In "A Dream of Fujui," Miss Goertz weaves a story of peril and romance in wartime Japan.

Two well-known mystery writers appear on this week's new book shelf — Josephine Bell in "Port of London Murders" and Richard and Frances Lockridge in "Accent on Murder." A pair of suspense novels also bid fair to provide escape — "The Bad Summer," by John Appleby, and "The Mad-House on Washington Square," by David Alexander.

Good for a resounding laugh is Honor Tracy's "The Prospects are Pleasing."

## 2 Speeders Fined $10; 2 Others Get Dismissal

Richard Freeman of New Cumberland and Albert Walters of Newell were fined $10 and costs Saturday night by Mayor Burton Ward of Chester on charges of speeding.

They were cited in a radar check on Carolina Ave. Friday, when Freeman was clocked at 38 miles an hour in a 25-mile zone and Walters was clocked at 40.

Charges of speeding against Clarence Broomhall and William Smith, both of Newell, also cited in the radar check, were dismissed by Mayor Ward. Smith and Broomhall were clocked at 40 miles an hour.

## 2 Motorists Fined

LISBON—Two motorists were fined a total of $45 and costs Sunday by Mayor John Todd. Franklin Carr, 20, of Akron was fined $25 and costs for speeding and Earl Hopton, 44, of Carmichaels, Pa., was fined $20 and costs for crossing a yellow line. Carr was cited by village police and Hopton was arrested by the State Highway Patrol.

## Car Injuries Fatal

PASO ROBLES, Calif. (AP) — Capt. Frank F. Gill, 51, operations officer at the Western Sea Frontier Command at Treasure Island in San Francisco Bay, was fatally injured Saturday in an automobile accident. He was former commander of the naval air station at Minneapolis.

# Need For Intelligence Testing Aired At No. 16 PTA Meeting

Lorin Ruff, assistant district superintendent of schools, spoke on the curriculum guide for schools in the county Friday night at a meeting of No. 16 Parent-Teacher Association in the Yellow Creek Township school.

He explained why intelligence quotient (IQ) tests are given and the reason and the manner in which they are used in the pupil's classroom. The speaker gave a comparison of the American and foreign education systems.

Devotions were in charge of Mrs. Dorothy Price's fourth and fifth graders. The program included: Scripture, I Cor. 13, Kay Taggart; prayer, the Rev. E. E. Bacon of the Oak Ridge Presbyterian Church; pledge of allegiance led by Jean Serafy; first verse of "America," audience, and song "Prayer is the Key to Heaven," fifth and sixth grades. Mrs. Myrtle Falconer was program chairman.

Ed Serafy, president, conducted business. Mrs. Eileen Watson, ways and means chairman, reported a school fair has been planned for Nov. 21. It will be conducted similar to the County Fair, with residents of the vicinity bringing the nicest items which they have grown. There will be judges and prizes and an auction of the fair exhibits will be held afterward. A parent king and queen will be appointed for the fair by the students through letters they will write.

Mrs. Gloria Tice reported receipt of a sales tax check for $56.02 for the balance of last year. Jerry Russell, seventh and eighth grade teacher, announced that baskets and rings had been assembled on the basketball court and that the first game will be with Beaver Local soon. He expressed appreciation to the boys who assembled the equipment. The PTA voted to assist the Student Council in paying for the basketball equipment.

The next meeting will be Nov. 28, with the first and second grades of Mrs. Gladys Janouseck in charge of the program. The fifth and sixth grade homeroom mothers will serve lunch.

## 'Sadie Hawkins' Dance At Newell Attracts 100

Nearly 100 attended the annual "Sadie Hawkins" dance held by the sophomore class of Wells High School Saturday night in the auditorium of the Newell school.

Miss Arlene Wurzel was chosen "Daisy Mae" and Jerry Osburn was selected as "Li'l Abner". The auditorium was decorated in traditional "Dogpatch" style.

Named attendants were Diane Robinson and Joe Graham, juniors, Carol Ripley and Eugene Hart, sophomores, and Kathy Talbott and Tom Hood, freshmen. Class sponsors are Mrs. Caroline Mountford and Charles Davis.

## Blasts At Saxbe

CLEVELAND (AP)—Mark McElroy, Democratic candidate for attorney general Sunday charged Republican Atty. Gen. William Saxbe with deceit in dealings on the purchase of land for public use. Speaking at a series of rallies, McElroy said Saxbe "exhibits political opportunism . . . by telling newspapers that he is opposed to the state's take-it-or-leave it, one-price land policy and at the same time appointing special counsel at $200 a day to take the land cases into court."

# *Moundsville Inmates Help Ailing Girl, 2*

CLEVELAND (AP) — Two-year-old Marsha Bane of Lumberport, W. Va., is scheduled to undergo delicate heart surgery here next month. The prisoners at Moundsville (W. Va.) State Penitentiary are on her side.

The prisoners, learning of Marsha's plight through a newspaper story, started passing the hat for contributions. The collection is expected to top $1,600.

A women's club in her home town also is collecting funds. Marsha's father, Harold, 32, has been out of work since July 1.

Hospitals are familiar to Marsha. Her mother, Mary, 29, said her daughter has been in and out of them most of her life.

Marsha is scheduled to undergo the surgery Nov. 21 at Cleveland Clinic Hospital to repair an opening in a defective valve in her heart.

Marsha, who has a brother, Paul 5, was admitted to the hospital here last Tuesday.

## New Fishing

ESTEVAN, Sask. (AP) — Four thousand young rainbow trout have been planted in two "spoil pits" in the coalfields east of here. It is hoped the pits, created by coal-stripping machines, will make favorable breeding grounds.
